**1354 Occupational Safety & Health Program (OSHA)**

The SC OSHA Compliance Program enforces workplace safety and health regulations by conducting unannounced inspections to identify hazards. OSHA inspectors investigate workplace fatalities, catastrophic accidents, employee-initiated complaints and other types of referrals alleging hazardous conditions. Inspectors also focus on industries and employers with a high likelihood of injuries, illnesses or fatalities. Violations are cited and penalties may be assessed. OSHA consultants and trainers also work with employers in improving workplace safety and health conditions. This activity is governed by the Federal Occupational Safety and Health Act of 1970 and Title 41, Chapter 15 of the S.C. Code of Laws.

**Statewide Result Area:** Improve the conditions for economic growth

**Strategy:** Provide for more effective and broad based incentive and grant programs.
