## PREFACE

Checklist of South Carolina State Publications was issued by the Department of Archives and History for fiscal years 1950/51 through 1966/67 and has been issued by the South Carolina State Library\* since fiscal year 1969/70. It is an annual listing of those State publications received by the South Carolina State Library.

Materials are listed according to the classification system devised for South Carolina State publications, which is in general an alphabetical arrangement by key word in the issuing agency and in the publication title.

The index, first issued with the 1974/75 Checklist, is arranged alphabetically by author, title and subject. Corporate authors are excluded if the publication is classified under that author.

Most items are available on interlibrary loan from the South Carolina State Library. Individual items desired for permanent retention, except those from the General Assembly, should be requested from the issuing agency. Committee reports of the General Assembly should be requested from the Clerk of the House of Representatives. Other General Assembly publications may be purchased from the following:

Code of Laws of 1976	Lawyers Cooperative Publishing Company Aqueduct Building, Rochester, N.Y. 14603
Code of Laws - Supplements	Michie Company, P.O. Box 7587 Charlottesville, Virginia 22906

Legislative Manual	Clerk, House of Representatives P.O. Box 11225, Columbia, South Carolina 29211

Prices are given when available, but omission of price does not mean the item is free.

Judicial publications, South Carolina Reports and Supreme Court of South Carolina: Cases Heard and Submitted--Brief and Records, are not included in the Checklist but are available for use in the Supreme Court Library and in the University of South Carolina Law Library.
