## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

June 19, 2019

Mr. George L. Kennedy, III, CPA  
State Auditor  
State of South Carolina  
Columbia, South Carolina

Ms. Carla P. Taylor, Town Clerk/Treasurer  
Town of Whitmire, South Carolina

We have performed the procedures described below, which were agreed to by the South Carolina Office of the State Auditor and the Town of Whitmire Municipal Court (the "*Town*"), on the systems, processes, and behaviors related to court fines and fees of the Town for the period July 1, 2017 through June 30, 2018, in the areas addressed. The Town is responsible for the systems, processes and behaviors related to court fines and fees. The sufficiency of these procedures is solely the responsibility of the South Carolina Office of the State Auditor and the Town. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which the agreed-upon procedures report has been requested or for any other purpose.

The procedures and the associated findings are as follows:

1. **Clerk of Court**

- We gained an understanding of the policies and procedures established by the Clerk of Court to confirm timely reporting by the Clerk of Court's Office.
- We obtained the court dockets or equivalents from the Clerk of Court. We randomly selected 25 cases from the court dockets and recalculated the fine, fee, assessment and surcharge calculation to confirm that the fine, fee, assessment and surcharge were properly allocated in accordance with applicable State law and the South Carolina Court administration fee memoranda.
- We randomly selected 25 court receipt transactions to confirm that the fine, fee, assessment and surcharge adhered to State law and the South Carolina Court administration fee memoranda and that the receipts were allocated in accordance with applicable State law.

We found no exceptions as a result of the procedures.

2. **Town Treasurer**

- We gained an understanding of the policies and procedures established by the Town treasurer to confirm timely reporting by the Town.
- We inspected all monthly court remittance forms or equivalents to confirm that the forms were completed in accordance with instructions and submitted timely in accordance with State law.
- We agreed the amounts reported on the monthly remittance forms or equivalents to the Town's support.
- We inspected the Town's support to confirm that the Town properly classified fine, fee, assessment, and surcharge receipts.
- We inspected all State Treasurer's Revenue Remittance Forms for the period July 1, 2017 through June 30, 2018 and agreed the amounts reported on the State Treasurer's Revenue Remittance Forms to the court remittance forms or equivalents.
- We agreed the amounts reported by the Town on its supplemental schedule of fines and assessments, as reported in the annual financial statement audit, for the period July 1, 2016 through June 30, 2017, to the Town's general ledger. The audit for the period July 1, 2017 through June 30, 2018 has not been completed. The 2017 fiscal year financial statement audit is the last audit available.
- We inspected the Town's supplemental schedule of fines and assessments, as reported in the annual financial statement audit, to confirm that it contained all the elements required by State law.

**Finding -- Timely Reporting to the State Treasurer**

Three of the twelve State Treasurer's Remittance Reports for the year ended June 30, 2018 were not timely filed. Two reports were filed one day late and one report was filed 3 days late. South Carolina Code of Laws Section 14-1-208(B) requires the Town Treasurer to remit the balance of the assessment money to the State Treasurer by the fifteenth day of the month.

**Management Response:**

In response to the finding noted above, the Clerk of Court has multiple roles and responsibilities. Sometimes she has trouble meeting all the deadlines due to the Town being understaffed from budget cuts. She has tried to complete all tasks to the best of her abilities, but with other responsibilities, sometimes she falls short. In the future, the Town plans to work on a timelier basis to ensure the State Treasurer's Revenue Remittance Reports are submitted on time. As an additive measure, if we do for some reason submit the report late, we will write an explanation on the report detailing why it was submitted late.

3. **Victim Assistance**

- We gained an understanding of the policies and procedures established by the Town to confirm proper accounting for victim assistance funds.
- We made inquiries and confirmed that any funds retained by the Town for victim assistance were deposited into a separate account.
- We selected all (two) expenditures to confirm that the Town expended victim assistance funds in accordance with State law and the South Carolina Court administration fee memoranda.

- We inspected the Town's victim assistance financial activity on the supplemental schedule of fines and assessments, as reported in the annual financial statement audit, and confirmed that it was in compliance with applicable State law.
- We agreed the amounts reported by the Town on its supplemental schedule of fines and assessments, as reported in the annual financial statement audit for the year ended June 30, 2017, applicable to the Victim Assistance Fund, to the Town's general ledger or subsidiary ledgers. The audit for the period July 1, 2017 through June 30, 2018 has not been completed. The 2017 fiscal year financial statement audit is the last audit available.
- We inspected the Town's victim assistance account to confirm the Victim Assistance fund balance was retained as of July 1 from the previous fiscal year in accordance with State law.

We found no exceptions as a result of the procedures.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be an opinion or conclusion, respectively, on the systems, processes, and behaviors related to court fines and fees of the Town of Whitmire Municipal Court. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Governor, Chairmen of the House Ways and Means Committee, Senate Finance Committee, House Judiciary Committee, Senate Judiciary Committee, members of the Whitmire Town Council, the Clerk of Court, Town Treasurer, State Treasurer, South Carolina Department of Crime Victim Compensation, and the Chief Justice and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
