STATE OF SOUTH CAROLINA  
OFFICE OF THE ATTORNEY GENERAL**

**HENRY McMASTER**

**INSURANCE FRAUD DIVISION**

**2005 ANNUAL REPORT**

**January 2006**

## MESSAGE FROM THE ATTORNEY GENERAL

I am proud to present to the General Assembly the 2005 Annual Report of the South Carolina Insurance Fraud Division. My office has been a leader in the fight against insurance fraud for 12 years.

Our success in 2005 was due in large part to the \$400,000 in dedicated funds provided to us by the General Assembly beginning with the fiscal budget year starting in July of 2005. With those funds, I was able to expand the division from one prosecutor and one legal assistant to a department of 5 prosecutors and 3 legal assistants. I would like to thank Senator Thomas for this funding. I would also like to thank the SLED agents and insurance fraud investigators who are essential to our fight against this type of fraud.

In 2005, we secured 102 criminal convictions. This represents a 42% increase from our total in 2004 (59). In addition to the convictions, we saw a large increase in the amount of restitution ordered by the courts in our cases. For 2005, we were able to secure \$191,416.00 in restitution ordered by the courts. This represents a 57% increase in the amount of restitution ordered over 2004 (\$82,726.99).

During 2005, there was a slight reduction in the number of insurance fraud complaints filed with my office. We received 569 complaints of insurance fraud in 2005, which is down from the 595 complaints that we received in 2004. The types of fraud complaints break down as follows: Automobile – 36% (206), Worker's Compensation – 17% (94), Health/Medical - 12% (71), Personal/Commercial Property - 11% (61), Other - 9% (50), Disability - 8% (44), Life - 4% (23), Premium – 3% (20). In 2005 my office received 569 complaints and 301 complaints were formally opened by the Office of the Attorney General and referred to SLED for investigation.

We were able to make great strides in the fight against insurance fraud during the last six months of 2005 with our increased staff. I look forward to continuing the fight against insurance fraud in 2006 and want the people of South Carolina to know that I am dedicated to reducing the number of incidents of insurance fraud in our state. This report may be accessed on the web at <http://www.scattorneygeneral.com>.

## **MESSAGE FROM THE DIRECTOR OF INSURANCE FRAUD**

On July 1, 1994, the Governor enacted into law the Omnibus Insurance Fraud and Reporting Immunity Act establishing the Insurance Fraud Division of the Office of the Attorney General and mandating the prosecution of insurance fraud by this new division with the South Carolina Law Enforcement Division (SLED) conducting the investigations. The intention of the legislation was to aggressively confront the problem of insurance fraud in South Carolina. The Insurance Fraud Division receives referrals from the Department of Insurance, the South Carolina Worker's Compensation Commission, insurance companies, private citizens, law enforcement agencies, as well as attorneys and private law firms throughout the state of South Carolina.

For a number of years the Insurance Fraud Division has been hampered by budgetary constraints. Last year the General Assembly appropriated \$400,000.00 in dedicated funds to be used by our office solely for the purpose of fighting insurance fraud. The money became available in July of 2005 and by the end of August of 2005, our office expanded from one prosecutor and one legal assistant to five prosecutors and three legal assistants.

We have already begun to see the effects of the additional funding. When you compare the last six months of 2004 to the last six months of 2005, we have made significant strides. For that six-month period of time, our office indicted 71 cases. That represents a 65% increase over number of cases from that time period in 2004. In addition, we secured 68 criminal convictions during those six months, compared to 41 during the same time period in 2004. Since our convictions increased, so did the amount of restitution that the courts ordered. From July 1, 2005 to December 31, 2005, the courts

ordered \$123,338.89 in restitution compared to \$42,311.49 from the same time period the preceding year.

Our work is still a direct result of the outstanding efforts of those in law enforcement and the private insurance industry that send us the majority of our cases. I am appreciative of their efforts and would like to specifically thank the efforts of the South Carolina Insurance Fraud Investigators (SCI-FI) and the National Insurance Crime Bureau (NICB).

Again, I am particularly appreciative of the support and leadership of Attorney General Henry McMaster. Also, I would like to thank Lt. Lansing P. Logan of SLED and his staff for their efforts in investigating these cases. Without their hard work and expertise the Insurance Fraud Division would not be in a position to experience its many successes.

Thank you to everyone who helped us in the past year and we look forward to achieving greater successes in 2006.

Respectfully Submitted,

Jennifer D. Evans  
Chief, State Grand Jury/Prosecution  
Director of Insurance Fraud Division
