Periodic Mailing from the
South Carolina State Historic Preservation Office
Review and Compliance Division
November 2007

1. Staff Changes
2. Changes in Card Stock for Statewide Survey Cards

1. Staff Changes

With the vacancy left by Valerie Marcil becoming a teacher, we have hired **Frances Knight** as our new archaeological reviewer. Fran comes to us with six years of experience as a reviewer in the Illinois State Historic Preservation Office, so she knows well the world of cultural resource management and SHPO review. She has a master's degree in anthropology from Southern Illinois University at Carbondale with broad field experience in Illinois. She has lived in SC for the last three years and has worked as a Research Affiliate and Archaeologist with the Upstate Archaeology Group and SCIAA on two multicomponent sites in the South Saluda River valley.

The division of the counties has changed among Chuck and Fran. Because of the number of projects along the coast, Fran will be reviewing the archaeology in Beaufort, Berkeley, Colleton, Dillon, Dorchester, Florence, Georgetown, Hampton, Horry, Jasper, Marion, and Williamsburg counties, while Chuck will continue to review archaeology for the United States Forest Service, and Abbeville, Aiken, Allendale, Anderson, Bamberg, Barnwell, Calhoun, Charleston, Cherokee, Chester, Chesterfield, Clarendon, Darlington, Edgefield, Fairfield, Greenville, Greenwood, Kershaw, Lancaster, Laurens, Lee, Lexington, Marlboro, McCormick, Newberry, Oconee, Orangeburg, Pickens, Richland, Saluda, Spartanburg, Sumter, Union, and York counties.

Fran can be reached at (803) 896-5487 or fknight@scdah.state.sc.us. Chuck can be reached at (803) 896-6181 or ccantley@scdah.state.sc.us.

Mary Edmonds retired as the Deputy State Historic Preservation Officer in August 2007. **Elizabeth Johnson** is the new Deputy State Historic Preservation Officer with the authority to sign agreement documents generated by review and compliance activities. Elizabeth can be reached at (803) 896-6168 or emjohnson@scdah.state.sc.us.

2. Statewide Survey Card Stock

The SHPO will now be accepting 65-lb. card stock for Statewide Survey cards. The 110-lb. card stock will continue to be accepted. Please contact David Kelly, Statewide Survey Coordinator, at (803) 896-6184 or kelly@scdah.state.sc.us if you have any questions. The updated Survey Manual is available online at <http://www.state.sc.us/scdah/hpsurvey/surveymain.htm>.

Be on the lookout for changes in the Review and Compliance division of the SHPO. We will be unveiling a new website, a new project review form, and new guidance on consultation with our office in the upcoming months. We are also planning our first annual workshop on cultural resource issues in the State of South Carolina.
