Series Reflections

I hope you all have had a great winter... we are getting ready for a jam-packed fishing season here in South Carolina. Based on Facebook posts that I have seen, many of you have been out having fun in various locales, including: the Dominican Republic, Costa Rica, and Isla Mujeres, Mexico. While winter is traditionally a slow time for billfishing off SC, there have been plenty of things going on behind the scenes to further improve your fishing opportunities off our coast. As you may have already heard, we are very excited about the opportunity to add significant structure to the Charleston Deep Reef Marine Protected Area (MPA) under the auspices of DNR, the SC Governor's Cup Billfishing Series Advisory Board of Directors and the SC Memorial Reef Project. The two previous structures placed in the MPA in 2014 have been a great success in attracting both imperiled deep-water grouper species as well as the pelagic species that you all target. In fact, many blue marlin and sailfish were caught and released in the immediate area during the summer of 2016. Adding structure to this MPA will only increase the beneficial effects. The new proposed project structure will include the US Highway 41 Steel Swing Bridge, which is 168' long, 32' wide and 24' tall, placed on top of a barge that is 130' long, 32' wide and 12' tall. The estimated cost to complete the project is \$180,000, with a deployment date tentatively scheduled for August 2017. To date, over half the funds necessary to complete the project have been raised. That leaves us with only \$80,000 more in donations to secure by August.

We are soliciting tax-deductible contributions to the SC Memorial Reef account within the Harry Hampton Wildlife Fund. There are two methods in which you can donate to this cause: checks can be made payable to Harry Hampton Fund - The SC Memorial Reef, C/O Amy Dukes, P.O. Box 12559, Charleston,

Finally, it is with deep sadness that I relay the news that Suzi DuRant, a longtime supporter of the SC Governor's Cup Billfishing Series and the marine industry passed away on February 25, 2017 after a valiant battle with ALS. Suzi and her husband Nelson owned and operated Palmetto Props for many years and provided some of the best service in the industry. They were both always very nice to me personally and anxious to promote the Series in any way they could. The last time I saw Suzi, about a year ago, she was just as delightful as ever holding court from her purple wheelchair at a marine-related event. She will be greatly missed for her genuine enthusiasm and kindness, and her contributions to South Carolina's marine resources could only hope to be rivaled. Please keep her husband Nelson and her family in your thoughts and prayers during this difficult time.

We are looking forward to another exciting year of billfishing in South Carolina! The Series kicks off with Bohicket this year, followed by Georgetown's 50th anniversary celebration! The Carolina Billfish Classic returns to the Charleston Harbor Resort and Marina, Megadock is back with another strong week of Independence Day festivities, and we will end the show with an awesome time shaggin' at the beach down in Edisto! Please mark your calendars and bring the family down for one or all of these fantastic events. Amy, Kayla and I hope to see you there!

50th Annual Georgetown Blue Marlin Tournament

May 24th-May 27th, 2017

In 1968, three local businessmen and avid fishermen started South Carolina's first blue marlin tournament, The Georgetown Blue Marlin Tournament. This tournament is the state's longest running blue marlin tournament. These same men have fostered this tournament and have ensured that it evolved to become and remain one of the finest and favorites of fishermen along the South Carolina coast and beyond..This year marks the 50th year of the Georgetown Blue Marlin Tournament! We are looking forward to celebrating this historic milestone tournament in Georgetown on May 24th-May 27th.

Please join us and participate in making this a memorable event
