FROM: Raymond G. Farmer
Director of Insurance 

SUBJECT: Section 38-71-280, Autism Spectrum Disorder
Maximum Benefit for Coverage for Behavioral Therapy

DATE: August 31, 2017

I. PURPOSE AND SCOPE OF THIS BULLETIN

The purpose of this bulletin is to address a provision of S.C. Code of Laws Section 38-71-280, added by 2007 S.C. Act No. 65. Subsection (E) requires that annual adjustments of the maximum benefit for coverage for behavioral therapy shall be made to reflect any change from the previous year in the Consumer Price Index. S.C. Code Section 38-71-280 (E) provides as follows:

“... Coverage for behavioral therapy is subject to a fifty thousand dollar maximum benefit per year. Beginning one year after the effective date of this act, this maximum benefit shall be adjusted annually on January 1 of each calendar year to reflect any change from the previous year in the current Consumer Price Index, All Urban Consumers, as published by the United States Department of Labor’s Bureau of Labor Statistics.”

The South Carolina Department of Insurance has reviewed the current Consumer Price Index and determined that the maximum benefit for coverage for behavioral therapy shall be increased to \$55,600 for the calendar year beginning January 1, 2018.
