

2007-2008 Student Handbook & Planner

Welcome to Trident Technical College.

The Student Services division has an important role to play in your experience at TTC. We are here to help you achieve your personal development and academic goals.

This Handbook provides information about many of the resources available at TTC. Use it to learn about the College's academic support programs, Internet and computer resources, student activities, financial aid, and other programs. The Student Code of Conduct and Academic Issues sections of the Handbook outline the College's expectations for student behavior in classes and campus buildings. The planning calendar will help you keep track of important dates and campus events. The Handbook also provides instructions on how to synchronize the CampusCruiser calendar with your personal PDA/palm pilot. You will use the Handbook as a reference throughout the year. We hope you enjoy your experience here at TTC!

Sincerely,

Elise Davis-McFarland, PhD

Confidentiality of Student Records

ANNUAL NOTICE TO STUDENTS

Trident Technical College complies with the Family Educational Rights and Privacy Act of 1974 (FERPA). This act provides ways to protect the privacy of education records, and to establish as the right of students and parents or guardians of dependent students to inspect and to review their education records. The act provides guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Educational Rights and Privacy Act office.

Under the Act, Trident Technical College is allowed to publish the following designated student directory information relating to individual students: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students wishing to restrict publication of their student directory information must notify the Registrar's office in writing.

Procedures to be used for compliance with the provision of the Act can be found in the Registrar's office and the vice president for Student Services office. Questions concerning the Family Educational Rights and Privacy Act may be referred to the Registrar's office and the Vice President for Student Services office.

IMPORTANT NOTES ABOUT PARKING AT PALMER CAMPUS

Parking at Palmer is limited and monitored closely by Public Safety. A parking decal does not guarantee you a place to park on campus. Consider getting to class ahead of time, carpooling, parking in the rear of the building, or buying a CARTA bus pass, which lets you ride all semester for \$10. Drive carefully and observe signs. Bike racks are located to the left of the new building.

Computer Resources on Campus

TTC has a variety of computer labs on its three campuses. Many labs are open to all TTC students, faculty, and staff. Some labs, while open to all students, give priority to a particular curriculum. Others are reserved for specific classes.

The e-Services Help Line number is 574-6999.

For complete lab names, hours, rules and locations go to Computer Labs under Academic Programs on TTC's Web site.

Web Resources for Students

As a TTC student, you have access to a variety of technology resources to support you in your learning process. All TTC students can access the following web resources from the TTC Web site, www.tridenttech.edu.

For log in/online assistance in CampusCruiser, TTC Express, and WebCT courses call 574.6WWW. Students are expected to check their CampusCruiser e-mail weekly for important College information.

CampusCruiser – Student Email

TTC students are provided a free e-mail account called CampusCruiser. You can access your account at www.tridenttech.edu and click on CampusCruiser.

The College uses CampusCruiser e-mail to communicate important information to students such as:

- Financial aid status
- Emergency closings
- Calendar updates
- Veterans' information
- Password changes for online registration in TTC Express
- Registration information
- College announcements
- Student activities and student organization events
- Confirmation of online payment of tuition and fees
- Notice of academic or financial aid warning, probation or suspension
- Course grade book
- Merge personal calendar with CampusCruiser calendar

Your student email account is not part of your academic record and your password will not be released to anyone but you, the student!

At the end of every term, the College terminates student e-mail accounts that have been inactive for six consecutive semesters

TTC Express - Online Registration & Records

TTC Express is your online access to your student records. Use TTC Express to:

- Register, drop or add classes
- Search for classes
- Print your class schedule
- Pay tuition and fees
- Apply for graduation

You can also view the following in TTC Express:

- Student payment account summary
- TTC admission application status
- Grades
- TTC transcript
- Placement test scores
- Financial aid status and award letter

To allow your parents or another person access to your student records, you can complete a "Release of Confidentiality" form in the Registrar's office.

TTC Web Site - www.tridenttech.edu

View the most current information and updates from TTC departments and academic programs on the College's Web site. You can also view the TTC Catalog, Student Handbook, course schedules and course availability by term, course cancellations, student employment opportunities and more.

Telephone Locations

Pay telephones - Pay telephones are available on all three campuses.

Outside emergency phones - TTC has automatic dial emergency phones located in the parking lots of Main, Berkeley and Palmer campuses. These phones provide direct connection to the College's Public Safety office.

Inside campus wall phones - Campus phones located inside the halls and lobby areas of buildings also can be used to call Public Safety. These telephones may also be used to contact faculty and staff on all three campuses.

TTY phone services - TTY phone services for the deaf and hearing impaired are located at the Main Campus in Counseling and Public Safety and at the Palmer Campus in Public Safety.

TTC Bookstore

Bookstores at all campuses offer **extended hours** at the beginning of each semester. You may purchase textbooks, supplies, class rings, art supplies and a number of other special interest items at the TTC Bookstore.

Financial aid book charges are available to eligible students for only two weeks at the beginning of each semester. The dates of the Financial Aid book charge period are posted on campus and on the Financial Aid and Bookstore Web sites each semester. The **VA book charge period** is different from the Financial Aid book charge period and is also posted on campus and on the VA and Bookstore Web sites each semester.

At the end of each semester, the Bookstore conducts a **book buy back** at Main, Berkeley, and Palmer campuses. Generally, books are bought back the last few days of the semester. Check the TTC Bookstore Web site and campus bulletin boards, and read the College's publications for exact dates.

The Bookstore has a published **policy regarding the sale and return** of textbooks. You may pick up a copy of this policy at the Bookstore.

Library

Libraries provide a full range of print and electronic resources for instructional purposes. (Refer to the TTC web site at www.tridenttech.edu for hours of operation.)

Students may check out books from the library for two weeks and may renew them once for the same length of time if the books are not on hold. Students are required to show their valid TTC ID card each time they check out library materials.

Students may access the TTC, The Citadel, College of Charleston, Charleston Southern University, Medical University of South Carolina and the Charleston County Library catalogs both on campus or remotely using the library Web site. DISCUS & PASCAL funded databases and other online bibliographic and periodical databases are available on all TTC campuses and remotely through the library Web site. You must have a valid ID card (scanned once in the library initially) before you can access the subscription databases from off campus.

A valid TTC student ID card entitles you to check out library materials at The Citadel, College of Charleston, Charleston Southern University, Medical University of South Carolina and the Charleston County Library. ID cards for students, faculty and staff are available through Student Services. Smoking, eating and using cell phones are prohibited in any TTC library location. Students may bring drinks into the library in a covered container. Students using TTC's campus libraries are expected to conduct themselves appropriately.

Children may not be taken into any TTC Library while the parent/guardian is studying or using library resources. They are not to be left unattended in any TTC library while parents are in class or involved in other activities.

Orientation Information

Orientation is an ongoing service at TTC. For your convenience, Orientation Centers are open on all three campuses Monday through Friday. No appointment is necessary – drop by when you are on campus.

New student orientation is an important part of getting started at TTC and is vital to your academic success. All new TTC students are expected to attend. The orientation process is customized for each student because we want you to achieve your educational goals and have a positive experience. You receive one-on-one attention from an orientation leader, who answers general questions you may have about the College. The orientation leader also explains the various services at TTC and assigns your academic advisor.

Students may attend orientation after their admissions application has been processed and qualifying test scores (SAT or ACT) or TTC placement tests are submitted or test requirements are waived. You do NOT need to be accepted to the College before attending orientation. Registration for the next semester begins at midterm, so the earlier you attend orientation, the better. You'll need time to make an appointment with your academic advisor who will help you select the correct courses and register you for the times and days you wish to take classes. The longer you wait, the fewer choices you'll have with scheduling your classes.

ORIENTATION SERVICES FOR ALL NEW STUDENTS:

- View a campus-specific video
- Explore TTC's Web site
- Talk with an orientation leader
- Verify major – change major, if necessary
- Receive Placement Test retest pass, if appropriate
- Receive academic advisor assignment
- Provide important informational handouts
- Answer questions
- Record orientation attendance in the student database system
- Take a cassette tape guided tour of the campus

ORIENTATION SERVICES FOR NONDEGREE STUDENTS:

- New student orientation
- Transfer information – local area college catalogs and transfer notebooks with forms and current information
- Register for courses – Bring appropriate documents, if you need prerequisite overrides

Placement in Courses

OPTIONS AFTER TTC'S PLACEMENT TEST

TTC's Placement Test is used to determine academic preparedness and initial placement of students in courses.

TTC's Placement Test measures your current skill level in reading, writing and math. It is not a measure of ability or potential. Students who do not have qualifying SAT or ACT test scores or are not transferring a college-level math and/or English course to TTC will need to take all or part of TTC's Placement Test. The untimed test is administered by computer on all three campuses. Students receive their test results immediately after they complete the test.

The Orientation leader can provide information about placement test scores in relation to courses you should take based on your placement test scores. Students who score within the prescribed retest ranges can request a retest pass in the Orientation Centers. There is a \$25 fee for retesting, payable at the Business office.

Assignment of Academic Advisors

Degree-seeking students are assigned academic advisors who are full-time faculty in their program of study. Students in selected majors who need a reading course will be assigned an additional advisor in the Learning Center. Most advisors are teaching a full load of at least five courses or in programs with a large number of lab or clinical courses. In addition to teaching, they serve on committees, are involved with course and program development, and must keep up with the technology and changes in the career field for which they are training students. Additionally, they often teach in more than one location.

Students who are undecided about their major are assigned a counselor who is trained to work with students in the career decision-making process. They work with students to choose a program of study. Students then return to the Orientation Center, change their major and are assigned a new advisor in their program of study. Counselors also teach courses, make classroom presentations, work one-on-one with students who may be having difficulties and attend professional development seminars to keep their credentials current.

It is important to contact academic advisors early for registration appointments. Because of the demand on their time, faculty and counselors manage their advising time carefully. In most cases, students will need to leave a phone message including name, phone number and when they can be contacted. Additionally, students may e-mail their advisors. Students who have been to an Orientation Center can find their academic advisor's name and phone number in TTC Express under My Profile with a direct link to the advisor's e-mail at that same location.

Get a New Advisor When Changing Your Major

Students who want to change their major or add a dual major must complete a Student Update form in any Orientation Center or at the Admissions Office on any campus.

If you have completed orientation, you can call the Main Campus Orientation Center (843.574.6436) or e-mail an orientation leader to obtain the name of a new academic advisor. If you have not completed orientation, please visit an Orientation Center at your earliest convenience. Visit TTC's Orientation Web site to find the e-mail addresses of orientation leaders.

Preparation for Registration

Steps for registration can be found in this handbook under "The Registration Process".

Priority Registration begins at midterm for the next term. Students who are returning to TTC after not enrolling for several semesters should check with the Orientation Center to verify that they have a current academic advisor for their program of study.

Advisement for Nondegree Seeking Students

For most courses, nondegree-seeking students do not need an advisor's signature. However, many courses have prerequisites or skill requirements. To register for one of these courses you must have departmental approval if your TTC records do not show that you have met the prerequisites or skill requirements. You may be asked to provide evidence of prerequisites, corequisites or skill requirements such as transcripts, grade reports or qualifying test scores. Nondegree-seeking students may register in the Orientation Centers or in the Registrar's office.

Returning to College

College skills courses are offered to assist students who have been out of school for some time or have never developed the skills necessary to achieve academic success. Financial aid will pay for these courses for qualified students.

COL 103 – College Skills

This three-credit course covers study skills, life skills and an introduction to career exploration. Students learn note-taking techniques, test-taking skills, communication skills, problem-solving techniques, and life management skills such as time and stress management. In addition, the librarians teach an electronic library unit where students complete a hands-on activity to familiarize themselves with electronic database research.

COL 107 - Computer Literacy Skills for College Success

This course is designed for students who need an introduction to computer literacy and word processing skills to develop or improve basic keyboarding skills and to use the computer for self-paced computer-based and web-based instruction and communication. (Nondegree credit)

IDS 101 – Human Thought and Learning

This course explores the principles, methods and applications of human thought and learning. Students study such topics as attention, information processing and problem solving.

Financial Aid

TTC's financial aid programs assist students who have financial need as determined by the federal government. A financial need exists if the resources of the family (expected family contribution or EFC) do not meet the total cost of attending the College. The total cost of attendance includes tuition, fees, books, supplies, room and board and personal and transportation expenses.

A variety of financial assistance is available at TTC to help you with the cost of attending college. TTC's Financial Aid office assists prospective and current students and their families by

1. providing information about financial resources,
2. assisting applicants with the application process for financial assistance
3. calculating an applicant's level of eligibility for financial assistance
4. awarding financial assistance based on an applicant's enrollment status
5. monitoring students' satisfactory progress each semester for continued eligibility in financial assistance programs. For more information, visit the TTC Financial Aid/VA Web site at <http://www.tridenttech.edu/>.

Financial aid is awarded on a yearly basis. Each award year begins with the fall semester and ends with summer term. You must complete a new FAFSA each year prior to the semester you enroll to determine continued eligibility for financial aid.

Understanding Your Financial Aid Awards

Once you have been accepted for admission to TTC and your financial aid file is completed, you will be notified about financial aid awards. The award letter will list all financial aid and the terms and conditions of the award(s) based on full-time enrollment. Your award letter can be found on TTC Express. Any changes, additions and/or corrections will be sent to you via CampusCruiser.

If you apply for financial aid in time and are eligible, your tuition will be deducted from the financial aid that has been awarded to you (excluding federal work-study awards). If you have sufficient funds, you may be allowed to pay for your books by charging them to your student account and these charges will also be deducted from your financial aid. After these expenses have been paid and if any funds remain, the Business office will mail a check to you for the amount of remaining funds.

The following is an example of how to read and understand your award letter. Remember, this is based on full-time enrollment. Your award amount will be prorated from a full-time award based on your actual enrollment hours.

<u>Award Example</u>	<u>Total</u>	<u>Fall</u>	<u>Spring</u>
Federal Pell Grant	\$4,050	\$2,025	\$2,025

Applying for Financial Aid

To apply for financial aid programs, fill out the Free Application for Federal Student Aid (FAFSA). A new or renewal FAFSA must be submitted for each academic year (Fall through Summer) and is available for the upcoming academic year after Jan. 1. The FAFSA is available at TTC's Financial Aid offices at Main, Palmer and Berkeley campuses, and through high school guidance offices. You also can access the FAFSA online at <http://www.fafsa.ed.gov/>. The results of your FAFSA can be submitted directly to TTC by placing TTC's school code in the Release and Signature section of the FAFSA.

TTC's school code is 004920

YOUR FINANCIAL AID ELIGIBILITY IS DETERMINED FROM THE INFORMATION PROVIDED ON THE FAFSA.

To complete the application, you will need a copy of your most recent federal tax returns or any documentation of untaxed income (e.g. SSI statement, Leave and Earning Statement, disability income.) The FAFSA can be submitted either electronically or by mailing it to the Federal Processing Center. This address is on the FAFSA form. After submitting the FAFSA, in four to six weeks, a Student Aid Report (SAR) is generated and sent to you and also to TTC if you indicated this on your FAFSA. If corrections are required, or additional information is requested, you can either mail it or submit it on the web. The quickest and easiest way to complete and submit a FAFSA is on the web. Apply online at <http://www.fafsa.ed.gov/>. Your SAR will be sent to you electronically. You can make corrections electronically as well. It is important to respond promptly to any requests for corrections or additional information.

FEDERAL REGULATIONS REQUIRE THAT RANDOMLY SELECTED FINANCIAL AID APPLICANTS PROVIDE VERIFICATION OF ALL INFORMATION DOCUMENTED ON THE FAFSA. IF YOU ARE RANDOMLY SELECTED FOR VERIFICATION, YOU WILL BE NOTIFIED BY TTC'S FINANCIAL AID OFFICE TO SUBMIT A VERIFICATION WORKSHEET, SIGNED FEDERAL INCOME TAX FORMS AND DOCUMENTATION OF UNTAXED INCOME.

Once all requirements are met, you will be sent an award letter, if eligible, specifying the amount of financial aid you are eligible to receive.

Financial Aid and the Transfer Student

- Financial aid awards cannot be transferred from one college to another.
- Students must have the results of the FAFSA released to the new college.
- Students transferring to TTC must request a duplicate Student Aid Report (SAR) if the results of the FAFSA have not been released to TTC. The TTC code is 004920.
- It is the student's responsibility to notify the Financial Aid Office that they have attended another college or university.

Priority Dates

Priority dates to complete financial aid are identified and published each semester. You should apply for financial aid by completing your FAFSA and having it sent to TTC prior to the semester in which you plan to enroll. Any documents requested by the Financial Aid office should be submitted as soon as possible after the request. This will allow your financial aid to be processed so that any eligible financial aid will be available prior to the beginning of the semester when you plan to enroll.

If you submit your FAFSA after the published priority date, be prepared to pay your tuition and fees and purchase books by the fee payment deadline for the semester. Your financial aid will be processed in the order in which your FAFSA is received. You will be reimbursed if you are eligible for any financial aid.

Types of Financial Aid

Financial assistance programs offered at TTC include federal programs under Title IV funds and state grants and scholarships. Federal financial assistance includes the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Academic Competitiveness Grant, Federal College Work-Study, and student loan and parent loans. State financial assistance programs include lottery funded tuition assistance, the LIFE Scholarship and the South Carolina Need-Based Grant. For more information, visit the TTC Financial Aid/Veterans Affairs Web site at <http://www.tridenttech.edu/> or the TTC catalog.

TTC Scholarships

Trident Technical College and its Foundation offer a number of scholarships provided by area individuals, businesses, civic organizations and nonprofit groups. Awards are competitive based upon the stated criteria, and recipients are selected by the College's Scholarship Committee. Awards are based on availability of funds and do not require repayment. More information about scholarships and the scholarship application are on TTC's Web site (www.tridenttech.edu) under Current Students or Future Students.

Eligibility for Financial Aid

Eligibility for federal (and some state) financial assistance awards requires:

- A high school diploma, its equivalent or meeting Ability to Benefit regulations
- Enrollment in a program of study that is eligible for federal financial aid awards.
- No default on any prior student loans
- Not in repayment on any federal Pell or SEOG grant
- Satisfactory academic progress in credit courses as defined by TTC
- A valid financial aid application (FAFSA)
- U.S. citizen or eligible non-citizen
- A valid Social Security number
- Compliance with Selective Service registration
- Demonstrated financial need except for some loans, scholarships and Lottery Tuition Assistance.

Eligibility for Financial Aid Under Ability to Benefit Regulations

If you do not have a high school diploma or its recognized equivalent, you may be able to qualify for Title IV funds in TTC programs approved for federal financial aid that do not require high school graduation. This would require that you take TTC's placement test, as an Ability to Benefit test and achieve the minimum scores established by the U.S. Department of Education in reading, writing skills and pre-algebra. Testing Services administers the placement test on Main, Palmer and Berkeley campuses. The listing of approved programs for Title IV funding can be found at <http://www.tridenttech.edu/> in the Financial Aid/VA link.

Your Financial Aid Status

As long as you meet **Satisfactory Academic Progress (SAP)**, you are in good standing. If your status changes as a result of your grades or progression through your academic program, we will notify you by email through your CampusCruiser account. This email cannot be sent to you until after grades are posted for any given semester. However, it is ultimately YOUR responsibility to know your FA eligibility status. If you do not understand the SAP policy, you should make an appointment with a financial aid or veterans' affairs officer or go to the Financial Aid Customer Service in the Student Center on Main Campus, the Admissions area at the Palmer Campus or in the Student Success Center at the Berkeley Campus.

Your original award letter is based on full-time enrollment for the academic year. If you are not enrolled full time, your award will be prorated based on your actual number of hours enrolled. Your enrollment status is determined at the end of the drop/add period for each semester. Adjustments to your awards, including cancellation of aid, are based on your enrollment status at the end of the drop/add period.

<i>Enrollment Status</i>	<i>Enrollment Requirement</i>
Full time status	At least 12 credit hours
Three-quarter status	9 to 11 credit hours
Half-time status	6 to 8 credit hours
Less than half-time status	1 to 5 credit hours

NOTE: If you never attend class(es), you will be removed from the class roster through the "never attended process" and your awards will be adjusted or cancelled depending on your final enrollment status.

Financial Aid – Eligible Programs of Study

You must enroll in an eligible program to receive any type of federal aid. Some certificate programs are ineligible for federal aid. General Education Development (GED) and Continuing Education courses are not eligible programs. Audit classes are not eligible for financial aid. You are paid for only those courses required to graduate or as prerequisites for courses required in your program.

All associate degrees are approved for financial aid. The list of diplomas and certificate programs eligible for financial aid are listed on the TTC's Web site at <http://www.tridenttech.edu/>. Some certificates are eligible for financial aid.

Repayment of Federal Financial Aid Funds

If you have financial aid and withdraw from ALL your classes OR stop attending ALL classes before 60% of the semester/term, you may have to repay a portion of your financial aid funds to the federal government. You may also owe funds back to Trident Technical College (TTC).

The US Department of Education requires students to attend classes for at least 60% of the term in order to qualify for the full amount of aid. If you withdraw from all classes prior to the 60% completion period, you may have to pay back the unearned funds to the federal government. You will also have to repay unearned funds to TTC. You will be ineligible to receive any future financial aid at any college or university until you repay the funds. You will be unable to continue attending TTC until you satisfy the balance owed to the College, either by paying all of the funds or making arrangements to carry your balance forward into your next term of enrollment.

As you can see, it is very important for you to consider the financial implications of withdrawing from all of your classes or not attending all of your classes prior to 60% of the semester/term.

Financial Aid Definitions

Cost of Attendance (COA) – The total it will cost a student to go to school, usually expressed as a yearly figure. COA includes tuition and fees, and allowances for books, supplies, room and board, personal and transportation.

Course Completion Rate (CCR) - The Course Completion Rate is a specified number of credit hours which you must complete in a semester to remain in good standing. It is based on the number of hours you attempt .

<i>If you are attempting:</i>	<i>You must complete at least:</i>
12 or more hours	9 hours
6-11 hours	6 hours
1-5 hours	all hours

Default – Failure to repay a loan according to the terms agreed to when you signed a promissory note

Eligible program – A course of study that leads to a degree, diploma or certificate and meets the U.S. Department of Education's requirements for an eligible program

Expected Family Contribution (EFC) – The amount you and your family are expected to contribute toward your education. The EFC appears in the upper right-hand corner of your Student Aid Report (SAR). Your SAR is the document you receive when you complete the Free Application for Federal Student Aid (FAFSA).

FAFSA - Free Application for Federal Student Aid. Form to be filled out to begin the process for requesting financial aid. TTC's school code is 004920.

Federal Pell Grant – The Federal Pell Grant is a program that provides grants for students attending college who have not previously received a baccalaureate degree. Eligibility is based on the student's resources listed on your Free Application for Federal Student Aid (FAFSA) and is determined by a formula developed by the U.S. Department of Education.

Federal Supplemental Educational Opportunity Grant (FSEOG) – FSEOG is a program from which students may obtain funds each year depending on financial need. The average award for a TTC student is \$600 per year.

Federal Work-Study Program (FWS) – The FWS is a program that provides part-time jobs on campus for eligible students to help pay educational expenses. Since positions are limited, students should apply early. Applicants must complete the FAFSA and an Application for Federal Work-Study. Students are usually allowed to work up to 20 hours/week based on financial need.

Grants and Scholarships – Financial aid that does not require repayment. Grant amounts are based on need. Scholarships are usually based on academic merit.

Loan – Borrowed money that must be repaid with interest. Maximum loan amounts depend on the student's status in school and financial need.

Lottery Tuition Assistance Program (LTA) – The Lottery Tuition Assistance Program (LTAP) was created to supplement financial assistance to students who wish to attend two-year public or independent colleges in the state. The award is not based on need. Lottery-funded tuition assistance is determined by using the information on your FAFSA. You must be a South Carolina resident and enrolled in at least 6 credit hours. Lottery award amounts are based on credit hours of enrollment and availability of state funds. LTA is not available to assist with book expenses. If you have attempted 24 or more hours, you must have a minimum 2.0 cumulative GPA to receive lottery funding.

Personal Identification Number (PIN) – you are assigned when you apply on line at www.pin.ed.gov. Both the student and parents can apply for a PIN. The PIN allows you to sign your FAFSA electronically and your promissory note for student loans.

Promissory note – The binding legal document you sign when you receive a student loan. It lists the conditions under which you are borrowing and the terms under which you agree to pay back the loan.

Satisfactory Academic Progress (SAP) – To be eligible to receive financial aid, you must maintain satisfactory academic progress toward a degree, diploma or certificate.

Selective Service Registration – Required by law, males must register with the Selective Service to receive most types of federal and state aid.

Stafford Loan – The Federal Stafford Loan is a low interest college loan made by a lender. To determine eligibility, students must complete the FAFSA, a Stafford Loan Request and a Master Promissory Note for Federal Stafford Loans. The Financial Aid office will counsel students as to the type of loan for which they are eligible and the amount they may borrow. Before a loan is certified, the student must complete a computerized entrance loan counseling session. Upon graduation or ceasing to be enrolled at least half time, the student must attend a computerized exit loan counseling session.

- **Subsidized Stafford Loan** – The federal government pays the interest while you are in school. You begin repayment and interest begins six months after you graduate or cease at least half-time enrollment.
- **Unsubsidized Stafford Loan** – Interest begins when you receive the loan

South Carolina Free Tuition (SCFT)

South Carolina Need Based Grant (SCNGB) – The SCNGB is designed to provide additional financial aid to South Carolina’s neediest students. The grant assists students who wish to attend public or independent colleges or universities in the state. To be eligible, a student must have been a S.C. resident for the last 12 months. The maximum award is \$1,000 for a full-time student.

Student Aid Report (SAR) – Lists all the information you reported on your FAFSA. It will contain your expected family contribution (EFC).

Managing Your Finances - Budgeting Basics

Step 1: Figure Out What You’ve Got

- Add up all your sources of income, including student grants, scholarships, loans, Work-Study income, income from part-time job and parent contribution.

Step 2: Figure Out What You Need

- Add up your tuition and living expenses.
- Estimate cost of books and supplies.
- Estimate cost of food, utilities, transportation, etc.
- Remember to include only things you need, not want.

Step 3: The Moment of Truth

- Compare your monthly income to your monthly expenses.
- If you don’t have enough income to cover your expenses, figure out where you can cut corners.
- If you have extra, then add in the “want” items, such as entertainment.

Checklist and Helpful Hints

- Complete all federal and state tax returns as soon as possible after January 1 and keep a copy.
- Complete the FAFSA at <http://www.fafsa.ed.gov/> (Title IV school code for TTC is 004920). A link to FAFSA on the web is on TTC’s website
- Respond quickly to all information requests made by the Financial Aid office and the FAFSA Processing Center.
- Keep copies of all financial aid documents including application, loan promissory notes, etc. Record any contact made with the Financial Aid office, including the date and with whom you spoke.
- Print all information on the FAFSA so it is clear and legible. Be sure to sign forms where a signature is requested.
- Clearly print your name and Social Security number or TTC ID on all information submitted to TTC’s Financial Aid office.
- Remember to reapply for financial aid each year. The FAFSA must be resubmitted annually. The award year begins with fall semester and ends after the summer term.

ALL COMMUNICATION FROM THE FINANCIAL AID OFFICE IS VIA TTC EXPRESS AND CAMPUSCRUISER

OTHER IMPORTANT INFORMATION

You may not use FA/VA/SCFT to pay for audited courses, credit hours earned by placement test or noncredit course work. FA/VA/SCFT aid is available for developmental studies (remedial) course work taken within the first 30 hours of courses attempted. These courses will count toward your SAP CCR. Developmental courses that begin with a 0 do not affect SAP GPA calculations. Courses that begin with 1 or 2 do figure in SAP GPA calculations.

Financial aid will only pay for two attempts of ANY course and will not pay for developmental studies courses (courses that begin with a zero) after the first 30 hours of courses have been taken. Contact the VA office, on the Main Campus, for information concerning VA/SCFT course attempts.

The 14 Most Important Things to Know About Satisfactory Academic Progress (SAP) for Financial Aid

BASICS:

1. The financial aid year begins with the Fall Semester and then includes the following Spring and Summer.
2. Financial aid can be used to pay for only two attempts of any course. Contact the TTC VA Office for VA/SCFT course attempts information.
3. W's help protect your GPA. W's hurt your CCR. F's hurt your GPA and your CCR.
4. Developmental remedial course work may receive funding within the first 30 hours of courses attempted. These credits will be counted toward hours attempted and completed but will not affect the term GPA or cumulative GPA.

YOU are RESPONSIBLE for:

5. You must know and understand the financial aid rules and guidelines.
6. You are responsible for knowing your eligibility status at all times.
7. You must successfully complete the Free Application for Federal Student Aid (FAFSA) form to apply for ANY FA aid to include the South Carolina Lottery-Funded Tuition Assistance.
8. You must reapply for student aid EVERY year by successfully completing a new FAFSA.
9. You must complete your certificate, diploma or degree program within 150 percent of the time prescribed for the program. (For more information on the 150% rule speak to your Financial Aid advisor)
10. You MUST meet BOTH the Grade Point Average (GPA) and CCR (Course Completion Requirements) measures of the Satisfactory Academic Progress (SAP) to stay eligible for FA.

IF YOU DO NOT meet Satisfactory Academic Progress (SAP) requirements BOTH the Grade Point Average (GPA) and Course Completion Requirements (CCR)

11. If you don't improve your standing after a warning and probation, your aid eligibility will be suspended. There are only two ways to regain your eligibility. One involves completing six hours in a single semester, at your expense, with a semester GPA of 2.0 or better. If you feel special circumstances caused you to be suspended, you may appeal to the committee for reinstatement.
12. If you are on probation, and your **cumulative GPA** is less than 2.0, you will remain on probation as long as your current semester GPA is at least 2.0 and you meet CCR.
13. If you are on probation, and your **current semester GPA** is less than 2.0, you will remain on probation, as long as your cumulative GPA is at least 2.0 and you meet CCR.
14. The Appeals Committee seldom—if ever—considers "I didn't know" and "I didn't ask" to be special circumstances.

THE FOLLOWING THREE TABLES WILL HELP YOU UNDERSTAND SAP POLICY. TABLE 1 CONTAINS SOME WORDS OR PHRASES THAT YOU NEED TO KNOW IN ORDER TO READ TABLE 2 AND TABLE 3.

Table 1: Words & Phrases Used in Satisfactory Academic Progress (SAP)

Word or Phrase	Meaning						
SAP GPA	To remain in good standing, each current semester's requirement. GPA must be at least 2.0. If you fall to probation status, suspension results if your current semester GPA and your cumulative (or overall) GPA are both below 2.0						
SAP CCR	You must complete course work for your certificate, diploma or degree at a pace that means you attempt no more than 150 percent of the total credit hours associated with your academic program. To help you stay on that pace, these are standards for how many credit hours you must complete each semester based on the number of hours in which you enroll. <i>If you are attempting:</i> <table style="display: inline-table; vertical-align: middle;"> <tr> <td>12 or more hours</td> <td>9 hours</td> </tr> <tr> <td>6-11 hours</td> <td>6 hours</td> </tr> <tr> <td>1-5 hours</td> <td>all hours</td> </tr> </table> <i>You must complete at least:</i>	12 or more hours	9 hours	6-11 hours	6 hours	1-5 hours	all hours
12 or more hours	9 hours						
6-11 hours	6 hours						
1-5 hours	all hours						
Some Things You Need to Know About D(s), F(s), I(s), & W(s)	D While a D is a passing grade and will count as a completed course, it is worth only 1 point in GPA calculations. So, each D helps you meet the SAP CCR requirement, but it hurts your standing in meeting the SAP GPA requirement. W On the other hand, if you withdraw from a course (and receive a W), it does not help or hurt your GPA calculations. But, any course for which you receive a W is counted as an attempted—but not completed—course. A W does hurt your ability to meet the SAP CCR requirement. I If you get an I (Incomplete), you have bought some time as far as the SAP GPA requirement is concerned. But the I does count against your SAP CCR requirement. F Finally, an F hurts your standing in two ways. It earns 0 points in your GPA calculations. And, any course for which you earn an F is counted as an attempted—but not completed—course.						
Both	Both means GPA and CCR. To remain in good standing you must meet BOTH the SAP GPA requirement AND the SAP CCR requirement.						
Special Circumstances	If your FA eligibility is suspended, you may decide to appeal for reinstatement. The Appeals Committee that makes appeal decisions may be willing to look at how some unusual or unexpected situation(s) hurt your ability to meet SAP GPA and/or SAP CCR standards. In most cases, the committee will want you to document two things about any situation that you are asking it to consider as a special circumstance. First, the situation did occur and it was unusual or unexpected. Second, you must show a direct link between the situation and your inability to meet GPA or CCR expectations. Remember, TTC offers extensive learning assistance, academic advising, financial aid customer service, disabilities services, and counseling services. Failing to use those services if you need them might cause you to have GPA and/or CCR problems, but that failure would not be a "special circumstance".						

Table 2: Satisfactory Academic Progress (SAP) Measurements
or "How to Keep Your Financial Aid Once You Get It"

IF you meet the SAP GPA requirement by earning a 2.0 GPA or higher for the semester prior to the one for which you are requesting aid	AND you meet the SAP CCR by completing a specified number of credit hours based on the number of hours you attempted during the semester prior to the one for which you are requesting aid	THEN you are in GOOD STANDING as far as your FA eligibility is concerned.	You should continue to monitor your academic progress and use the College's advising counseling and learning assistance resources as needed.
--	---	---	---

IF you are in GOOD STANDING and you continue to meet the SAP requirements you remain in Good Standing.
HOWEVER, IF YOU DON'T then....

IF you are in Good Standing and earn less than a 2.0 GPA in your current semester (thereby not meeting the SAP GPA requirement)	OR you do NOT meet the SAP CCR (You do not complete the number of hours in a semester based on the number you attempted)	THEN you are now on WARNING status. You may continue to receive FA for which you have qualified.	You should at least work to ensure that your next semester's GPA moves back above 2.0 AND/OR ensure that you complete the required number of courses during your next semester. You may want to contact your academic advisor or one of TTC's counselors for help.
---	---	--	---

IF you on WARNING status AND you meet SAP requirements, you return to Good Standing.
HOWEVER, IF YOU DON'T then....

IF you are on Warning Status and earn less than a 2.0 GPA in your current semester (thereby not meeting the SAP GPA requirement)	OR you do NOT meet the SAP CCR (You do not complete the number of hours in a semester based on the number you attempted)	THEN you are now on PROBATION status. You may continue to receive FA for which you have qualified.	You should at least again re-examine what problems you are having and develop better plans to solve them. If you are not very clear about why you are on probation, contact our Financial Aid office and ask someone to help you understand.
---	---	--	---

Table 2: Satisfactory Academic Progress (SAP) Measurements
or "How to Keep Your Financial Aid Once You Get It"

IF you are on PROBATION status AND you MEET SAP requirements, you return to GOOD STANDING.
HOWEVER, IF YOU DON'T, then one of two situations will apply to you..

IF you are on PROBATION AND DO NOT MEET SAP (scenario 1)

IF you are on Probation Status AND earn less than a 2.0 GPA in your current semester	AND you meet the SAP CCR by completing a specified number of credit hours based on the number of ours you attempted during the semester prior to the one for which you are requesting aid	THEN you remain on PROBATION status. You may continue to receive FA for which you have qualified.	You should at least work to ensure that your next semester's GPA moves back to 2.0 or higher AND/OR that your cumulative (overall) GPA moves back to 2.0 or higher. You need to continue meeting the SAP CCR as well. You may want to contact your academic advisor or one of TTC's counselors for help.
OR your cumulative GPA falls below 2.0 (thereby not meeting the SAP GPA requirement)			

IF you are on PROBATION AND DO NOT MEET SAP (scenario 2)

IF you are on Probation Status AND earn less than a 2.0 GPA in your current semester	AND your cumulative GPA falls below 2.0 (thereby not meeting the SAP GPA requirement)	OR you do NOT meet the SAP CCR (you do not complete the number of hours in a semester based on the number you attempted)	THEN you are now on SUSPENSION status. You are now Not Eligible to receive FA until/unless you reestablish your eligibility.	You should at least see the next table to find out how (or if) you may reestablish your eligibility for FA student aid.
--	--	---	--	--

TERMS TO REMEMBER

SAP GPA	To remain in good standing, each current semester's requirement. GPA must be at least 2.0. If you fall to probation status, suspension results if your current semester GPA and your cumulative (or overall) GPA are both below 2.0
SAP CCR	You must complete course work for your certificate, diploma or degree at a pace that means you attempt no more than 150 percent of the total credit hours associated with your academic program. To help you stay on that pace, these are standards for how many credit hours you must complete each semester based on the number of hours in which you enroll. <i>If you are attempting:</i> 12 or more hours 6-11 hours 1-5 hours <i>You must complete at least:</i> 9 hours 6 hours all hours

Table 3: Your Financial Aid Eligibility Has Been Suspended

Once you are on suspension, there are only two ways to get back to Good Standing. NO MATTER WHICH OPTION YOU CHOOSE, you are only able to move back to Probation status from Suspension

You continue to have the same two options from which to choose if you wish to re-establish your eligibility until your THIRD Suspension (successfully appealed suspensions do not count in this total).

If you do not re-establish your eligibility after your THIRD suspension, your eligibility for FA is permanently ended

OPTION 1

While you are on Suspension, you may enroll in at least six (6) credit hours during any semester and pay your tuition and fees.

<p>IF you meet the SAP GPA by earning a 2.0 or higher for this semester AND you meet the SAP CCR by completing the specified number of credit hours based on the number of credit hours you attempted</p>	<p>THEN your FA eligibility may be reinstated for your next semester of enrollment. You will be on PROBATION during that semester. You do not need to appeal. Our Financial Aid Office will notify you of your status by Campus Cruiser email.</p>	<p>You should see Table 2 to determine how to return to Good Standing from Probation Status.</p>
---	--	---

BUT if you DO NOT meet the FA SAP (by either having less than a 2.0 GPA for this semester **OR** by not completing the specified number of credit hours shown above), **THEN** your FA will not be reinstated and you are still on Suspension. Unless this was your THIRD Suspension you continue to have the same two options from which to choose if you wish to re-establish your eligibility.

OPTION 2

If special circumstances caused you to be suspended, you may appeal to TTC's Academic and Financial Aid Appeals Committee.

This Committee will review your case knowing that you have moved through the Warning and Probation statuses before being Suspended. Your appeal must be submitted to the Vice President for Student Services with any supporting documentation regarding special circumstances, by 5 p.m. on the day of open registration. The committee's decision is final.

<p>If your appeal is approved, the committee will reinstate your FA eligibility for your next semester of enrollment and will notify you by Campus Cruiser e-mail. However, you are still on PROBATION status during that semester.</p>	<p>If you meet SAP during your semester of reinstatement, you will return to Good Standing for FA eligibility for the next semester.</p>	<p>You SHOULD continue to meet SAP to remain in Good Standing.</p>
	<p>If you do NOT meet SAP during your semester of reinstatement, then you return to SUSPENSION status</p>	<p>Unless this was your THIRD Suspension, you continue to have the same two options from which to choose if you wish to re-establish your eligibility.</p>

If the committee denies your appeal then you may still attempt to regain your FA eligibility through using Option A unless this was your THIRD Suspension. If this was your THIRD Suspension, your eligibility for FA is permanently ended. Remember, successfully appealed suspensions **do not** count in this total.

Vocational Rehabilitation and Employment Service (VR&E) – Chapter 31 provides vocational-educational counseling to veterans and certain dependents. Eligibility for this service is based on having eligibility for a VA Education program such as: Chapter 30 (Montgomery GI Bill); Chapter 32 (Veterans Education Assistance Program - VEAP); Chapter 35 (Dependents Education Assistance Program) for certain spouses and dependent children; Chapter 18 (Spina Bifida Program) for certain dependent children; Chapter 1606 (Reservists Education Program); Public Law 102-16 (for Transitioning Service members).

Call the nationwide toll free number, 1-800-827-1000 to request VA Form 28-8832, Application for Vocational Educational Counseling.

The VR&E – Chapter 31 education benefit will pay your tuition, fees, books and supplies required for the program of study approved by VR&E.

Free Tuition for Certain Veterans' Children

This program provides free tuition for children of certain war veterans attending South Carolina state supported colleges and universities as well as state supported post high school technical education institutions. Certain residency requirements apply. For questions or to apply contact the TTC Veterans Assistance Office or call The State Office of Veterans' Affairs at 803.255.4255.

Payment of Benefits

VA payments are made directly to the student, in accordance with federal regulations. The amount of assistance received is based on rate of attendance (i.e., full time, three-quarter time, and half-time) and the type of VA benefits for which the student is eligible. Direct deposit of educational checks is available for all VA educational programs except for students attending under Chapter 35.

Chapter 30 and Chapter 1606 students must call 1.877.823.2378 on the last day of the month to verify their attendance before the DVA will release any payment. Verifications may also be made online with WAVE at <http://www.gibill.va.gov/>.

Chapter 35 students enrolled in diploma or certificate programs can verify their enrollment monthly by calling 1.888.442.4551. Also, the DVA will mail a monthly enrollment verification form to the student. The student must complete the form and mail it back to the DVA before the DVA will release any payment to the student.

VA students, except for those attending under Vocational Rehabilitation and Employment –Chapter 31, are responsible for paying their tuition, fees, expenses and instructional fees by the published dates in the TTC *On Course*. New students or students reentering after an interval of 30 days or longer may be eligible to request advance payment to help meet college related expenses. Contact the TTC VA Office to request advance payment. The process to request advance payment should be submitted to the VA no later than 45 days before semester registration to allow sufficient time for processing.

These hours apply for VA payment purposes only.

Fall and Spring Semesters

Full-time	12 semester credit hours
3/4	9 semester credit hours
1/2	6 semester credit hours
Less than 1/2	4-5 semester credit hours

Summer Semester

Since the Summer Semester is considered an Accelerated term, the following hours apply for VA payment purposes:

Full-time	7 semester credit hours
3/4	5-6 semester credit hours
1/2	4 semester credit hours
Less than 1/2 time	3 semester credit hours

Your enrollment is certified to the VA based on the beginning and ending date of the course you are registered in. This includes courses in all Fast Forward sessions and the standard terms.

Earning and Keeping Your Benefits

To earn benefits, you are required to adhere to rules and regulations governed by the VA educational assistance program in which you are receiving benefits.

- You must be enrolled in an undergraduate program of study leading to an associate, diploma or certificate. VA will only allow payment for the courses that are required for graduation in the program of study outlined in the college catalog as approved by the State Approving Agency and prerequisites courses, or refresher/remedial courses if recommended by the placement test. VA will not pay you for retaking a course for which you received a passing grade, any courses for which you receive transfer credit, auditing courses, credit hours earned by placement test or noncredit course work.
- If you have previously attended another college, you must request official copies of your military and college transcripts be submitted to the TTC Registrar's Office. The Department of Veterans Affairs requires the College to report transfer credits that will apply to a student's major. Your enrollment will be certified for two semesters only pending evaluation of your transcripts. It is your responsibility to check with the TTC Registrar's office to review transfer credits and with your TTC advisor to review all credits previously taken at TTC that will fulfill graduation requirements in a new program.
- Benefits are available for developmental study (remedial) course work taken within the first 30 hours of courses attempted.
- You must maintain satisfactory attendance, conduct, and progress.

Conditions for Interruption of Benefits

- You are responsible for reporting any change in program, address, telephone number, or course schedule to the TTC VA Office.
- Each semester you must submit a copy of your course schedule to the TTC VA Office. Your enrollment to the VA will not be certified for benefits without your course schedule. If your schedule is purged for nonpayment of tuition, your enrollment to the VA will not be processed until your courses are reinstated and your tuition is paid. If this situation occurs, you must bring your reinstated schedule to the TTC Veterans Assistance Office and request your enrollment certification to be submitted to the VA.
- You must declare a VA approved major to receive benefits. You should choose your major carefully. Changing your major slows down progress toward completion of your degree, uses up your benefits, and delays the processing time to certify your enrollment and payment of benefits from the VA. If you change your major, you must complete a Student Information Update Form in the Admissions Office and you must complete a Program Change Form for the VA. Notify the TTC Veterans Assistance Office to complete the Program Change Form for the VA. This form has to be completed before a new certification of benefits to the VA can be certified.

- You must attend class in a traditional classroom or maintain active involvement in online or other modes of distance learning courses. If you have to withdraw from a course or withdraw completely from school, you must notify the TTC Veterans Assistance Office and the VA. When completing the withdrawal form you must have your instructor sign the form and complete your last date of attendance in the course. Submit your withdrawal form to the TTC Admissions Office and bring a copy of the form to the TTC Veterans Assistance Office. Failure to follow this procedure will result in late reports to the VA and will result in future overpayments that you will have to pay back. If mitigating circumstances caused the withdrawal, you must submit a statement explaining the circumstances, which TTC will submit to VA for the VA to make their determination.
- You must maintain satisfactory attendance, conduct, and progress as outlined by Trident Technical College's academic probation/academic standing policy to continue receiving benefits. If the standards are not met, the TTC Veterans Assistance Office will notify appropriate agencies and your benefits will be suspended. Benefits may resume if the conditions that caused the suspension are corrected.

Attendance Policy for Students Receiving VA Benefits and SCFT

All veterans and eligible persons receiving VA educational benefits while enrolled at TTC are required to maintain class attendance. When a student's absences in a traditional class exceeds two consecutive weeks of scheduled meetings after the drop/add period, the instructor will complete and submit an Attendance/Progress Report to the TTC VA Office. If a student ceases active involvement in online or other modes of distance learning courses for two consecutive weeks, the same procedure of reporting will apply. Attendance reports resulting in a reduction of credit hours enrolled have to be reported to the Department of Veterans Affairs and will result in an overpayment of benefits. The TTC VA Office will notify the Veterans Affairs Regional Office in Atlanta, Georgia or the Department of Veterans Affairs Vocational Rehabilitation and Employment Office in Charleston, SC of the change in enrollment. The respective offices will determine the necessary adjustment to a student's educational benefits.

Standards of Academic Progress

Students receiving veteran's educational benefits and students receiving Free Tuition for Certain Veterans' Children must be making satisfactory progress toward a degree, diploma or certificate. The TTC Veterans Assistance Office must monitor the progress of these students to ensure that they are making satisfactory progress toward completion of their program in a reasonable period of time. The Standards of Academic Progress required by Trident Technical College's students are the guidelines used for all veterans, veteran's dependents, reservists, and active duty personnel. Please review this policy thoroughly as it is the student's responsibility to understand the requirements. The Academic Standards of Progress policy can be found on TTC's Web site (<http://www.tridenttech.edu>).

VA Work-study

Students enrolled in $\frac{3}{4}$ or full time attendance are eligible to apply for a VA work-study job. Applications can be obtained from the TTC Veterans Assistance Office.

Activated Student Reservists

Students currently attending college that have been called to active duty must notify the TTC Veterans Assistance Office. Information and procedures to follow are outlined at <http://www.soc.aascu.org/scoguard/ActMobil.htm>.

International Students

TTC students are from 116 countries and enjoy participation in an active international student organization at the College. The admissions coordinator for international students is located at the Main Campus and is the College's designated school officer (DSO) with the Department of Homeland Security.

F-1 STUDENTS

F-1 students are registered in SEVIS, the Department of Homeland Security international student software tracking system, immediately upon arrival at TTC. The college listed on the I-20 form and on the F-1 visa is the only college the student is authorized to attend. F-1 students are required to pursue a full course of study (at least 12 semester hours) during spring and fall semesters; however, students starting TTC in Summer Term must be full time. F-1 students are required to make normal progress and maintain academic good standing toward completing their course of study and must complete studies before the I-20 program completion date. F-1 students are required to keep a valid I-20 by following proper procedures for changes in educational level or program of study, requesting extensions or transfers, or exceptions to full-time status. F-1 students may remain in the United States longer than the 60-day grace period after completing a full course of study ONLY if granted approval prior to completion for practical training, transfer or changing educational levels. F-1 students are NOT allowed to work off campus without specific authorization. F-1 deposits may not be used for tuition or fees and are not refunded until completion of the second term.

INTERNATIONAL STUDENT REQUIREMENTS

All international students must abide by rules requiring disclosure of information and prohibition on criminal activity, and also by any special requirement such as Special Registration. All visa and permanent resident students must provide a current street address and must report any change in address to the Department of Homeland Security and to TTC's DSO in Admissions. F-1 address changes are updated in the SEVIS software. For additional information, see www.uscis.gov.

Servicemember's Opportunity College of the Navy Program (SOCNAV)

If you are active duty personnel or a dependent of active duty personnel and have declared a major in a program of study at TTC, you are eligible for a Servicemember's Opportunity College of the Navy Student Agreement. The Student Agreement gives you a degree plan that shows the courses and other requirements needed to complete your program. The Student Agreement is a contract-for-degree made by the College with you. This agreement is your guarantee that you will receive a degree from TTC when all requirements for the degree are completed.

To receive a Student Agreement for SOCNAV, contact the Registrar's office in the Student Center on Main Campus. You must complete a minimum of 25 percent of your major program of study curriculum at TTC. If you transfer to other locations, refer to the SOCNAV Handbook to identify courses from other colleges that can be used to completed your degree. The SOCNAV Handbook is available at all Navy campus offices.

Home Program

The Home program is available for associate in arts and associate in science students who leave TTC before completing their degrees. Participants can transfer selected, pre-approved credits back to TTC to complete their associate degrees. See your advisor for details.

Registration for Undecided Students

Undecided students are advised by counselors in Counseling and Career Services at Main Campus and the Student Success Centers at Palmer and Berkeley campuses. Refer to the registration tips before meeting with your advisor.

ALL STUDENTS CAN REGISTER WITH AN ADVISOR ON DUTY ON REGISTRATION DAY IF THEY DID NOT REGISTER DURING ON-LINE OR PRIORITY REGISTRATION

Prerequisites

Many courses require prerequisite courses and/or test scores. A prerequisite is either a completed course or specified test scores needed to enroll in another course. TTC's computer system will automatically block your registration when a prerequisite course and/or placement test score is required for enrollment in the course if your TTC records do not show that you have met the prerequisites.

If prerequisites are not included in your TTC record but you have evidence of meeting required prerequisites (transcripts, grade sheets, or qualifying test scores) you may contact the academic department head to request departmental approval to take the course. (See Registration - Helpful Tips)

Auditing Courses

If you do not wish to receive a grade or college credit or take final examinations, you may register as an audit student. You cannot change your status from audit to credit or from credit to audit after the drop/add period. If you are an audit student you must pay full tuition for courses. You may audit an individual course only one time. Exceptions must be approved by the vice president for Academic Affairs. Some courses cannot be audited, and some may have special requirements. Contact the appropriate academic department head or dean for more information. You must get departmental approval to audit courses with prerequisite or corequisite courses or skill requirements if your TTC records do not show that you have met the prerequisites or other requirements. You may be asked to provide evidence of prerequisites or skill requirements such as transcripts, grade reports or test scores.

Registration – Helpful Tips

- **Fast Forward and Weekend College courses** are taught in the same amount of instructional time as semester courses, just condensed into fewer weeks. These courses are listed in a separate section in *On Course*.
- **To complete an associate degree in two years**, you must register for at least 15 semester credit hours per semester. Some programs require more than 15 semester credit hours per semester. To register for classes, you must first apply for admission to the College and be accepted to the College as a TTC student. When you complete the admission requirements for the program of study you have selected, you will receive an acceptance letter in the mail (unless you are applying after Priority Registration). You must be accepted before you can register. Review the list of courses that are required for your program of study in the TTC catalog.
- **On Course lists courses offered for the upcoming semester.** The *On Course* schedule is available in the Admissions office approximately two weeks before Priority Registration begins. Be sure to consult *On Course* every time you register for an upcoming semester because procedures and fees are subject to change. You will find additional information in *On Course* about specific class sections such as lab requirements, computer-based sections, special start and end dates, and other important details.
- **The earlier you register, the better chance you have of getting the classes you want at the times you need.** Make an appointment with your academic advisor. Your academic advisor is assigned through the Orientation Center. Academic advisors' phone numbers are listed in the front of the *On Course* schedule, and faculty advisors' office hours are posted on their office doors. You also can check My Profile on TTC Express for your academic advisor.
- Your academic advisor will assist you in scheduling your classes and checking for **prerequisites and corequisites**. You also can check the course descriptions in the TTC catalog to find out what prerequisites or corequisites are required for a course.

- **If you do not meet corequisite or prerequisite requirements for a course, you cannot register for the course unless you receive approval from the appropriate academic department.** To register for the courses your academic advisor and you have selected, the courses must be entered into the College's computer system during the Priority Registration or Registration period. Registration dates are listed in *On Course*.
- **Check your printed schedule immediately after registering to confirm days, times, courses and campus locations.** Correct any errors immediately while the sections you have selected are still available.
- **Deadlines for paying tuition** also are listed in *On Course*. If you miss tuition and fee payment deadlines, you will be dropped from all classes. Courses may be canceled if too few students enroll. If one of your courses is canceled, you will be notified so that you can add another section or course during the drop/add period.
- **Once you pay tuition and fees,** you can obtain a **parking decal** from the Business office and a student identification card from Student Activities.
- **If you register then decide to change the times and/or days of a course, you must select a different section of the same course.** Course section numbers are listed in *On Course*, at <http://www.tridenttech.edu/> and in the TTC Express online registration system.

Credit by Examination

TTC offers students enrolled in credit courses the option to exempt some courses through Credit by Examination. However, because of articulation agreements or the nature of the course, some courses cannot be challenged. Each academic department, working within the framework of the overall College policy, has established procedures for Credit by Examination. If you are interested, contact the appropriate department head or dean for those procedures.

A nonrefundable fee is charged for administering each written examination. You may not take a Credit by Examination test for a course in which you have earned a previous grade, including withdrawal. A student enrolled in a course may not take a Credit by Examination test for that course after the drop/add period. The only exception is the student who audits a course. A Credit by Examination test may be taken only once. To receive credit, you must earn a minimum grade of C. Credit hours awarded through Credit by Exam must not exceed 25 percent of your total curriculum hours. Credits earned through Credit by Examination are not added to your grade point average.

Course Cancellations

You are entitled to a 100 percent refund of tuition for any courses you registered for that are canceled by the College. If you choose to add another course in place of the canceled course, follow the drop/add process and contact the Business office to determine any increase or decrease in tuition.

Drop / Add

Drop/add dates and deadlines are published in the Student Handbook calendar and *On Course* schedule of courses. Courses may not be added or sections changed after the drop/add period.

Refunds for canceled courses or courses dropped are processed and mailed to you within three to four weeks after the drop/add period. You will forfeit a tuition refund unless you officially drop during the refund period as outlined in *On Course*.

You can add or drop a course on TTC Express or you can initiate the process in the Registrar's office on Main Campus or the Admissions office at the Palmer or Berkley campus.

If you decide to add or change a course, it is essential that you follow the drop/add procedures and deadlines. Drop/adds are processed in the Registrar's or Admissions offices at each campus.

It is your responsibility to initiate the paperwork to drop or withdraw from courses. Withdrawals are processed on campus in the Registrar's office or Admission office or Palmer and Berkeley campuses.

Failure to attend courses does not constitute proper procedure for dropping or withdrawing from courses. An F will be assigned if you do not officially drop/withdraw. Also, if you haven't paid for courses by the payment deadline, you will be removed from all courses.

Withdrawal from Courses

You can withdraw from a course after the drop/add period on TTC Express or you can initiate the process in Registrar's office on Main Campus or the Admissions office at the Palmer or Berkley campus.

You will receive a W in courses when you withdraw after the drop/add period. Refunds are prorated according to TTC Refund policy during the established refund period. The last day to withdraw from a course and receive a grade of W is published in the academic calendar.

When you withdraw, the grade of W will be entered on your academic record. This grade will not affect your GPA but may affect your financial aid eligibility for future semesters. If you are receiving federal student aid Title IV funds, you need to discuss course withdrawals and your financial aid status with a member of the Financial Aid staff.

If you do not officially withdraw from a course, you will receive a grade of F on your permanent academic record. A decision not to attend a course does not constitute a withdrawal from it. If you stop attending classes without officially withdrawing, you risk harming your academic record with a failing grade. The withdrawal policy for some programs is more restrictive and will apply to students in those programs.

VETERANS WITHDRAWAL POLICY

TTC requires veteran students who withdraw from a course to obtain the last date of attendance from the instructor for inclusion on the withdrawal form before submitting the form to the Registrar's office for processing. A copy of the withdrawal form must be submitted to the TTC Veterans Assistance Office. Veteran students who withdraw from a class or classes need to contact the TTC Veterans Assistance Office to discuss your award status and the VA policy on withdrawals.

Payments, Refunds and Account Balances

Payment Policy

When you register for the upcoming semester, you are required to pay the balance due on your account by the published payment due date. TTC must receive payment for the balance due by the published payment due date, or the College will remove your enrollment in courses for the next semester.

The deadline for payment applies to all students with a balance due on their account, including those receiving financial aid if a balance due exists after financial aid has been applied.

If you enrolled during the Priority Registration period and are removed from classes for nonpayment, you may not be able to re-enroll until Final Registration day. There is no guarantee that you will be able to re-enroll in the original course sections that you selected.

Failure to pay the balance due by the published payment due date will result in your removal from all enrolled courses.

Refund Policy

Refunds are processed according to TTC policy. You must drop/add or withdraw on TTC Express or complete a drop/add or withdrawal form and submit it to the Registrar's office to receive a refund during the designated refund period. Withdrawals after the prorated refund period are not eligible for refunds. (Failure to attend class is not official notice of withdrawal.) See the College catalog, TTC Web site (www.tridenttech.edu) or *On Course* schedule for refund guidelines and published refund dates.

Account Balances

You are responsible for accessing your TTC Express account to determine the amount that you owe. The balance that you owe can be viewed by clicking on the Balance Due screen in TTC Express. If you applied for financial aid, the balance due amount is what you actually owe after all financial aid awards that you are eligible to receive have been applied to your account.

You will not receive a bill in the mail for tuition and fees due. Your grades, transcript, financial aid status and account balance can be viewed online using your TTC Express account. Go to www.tridenttech.edu.

Student Records

The Registrar's Office is responsible for maintaining student records, including the registration process, student grades, grade point average calculations, academic honors, standards of progress for academic standing, transcript evaluation, student transcripts, graduation applications and conferral of degrees.

TTC students can register or view their student records online in TTC Express by going to TTC Web site at www.tridenttech.edu.

Attendance Requirements

Before attending classes, you must meet all prerequisites and officially register for all courses. Prompt and regular attendance is your responsibility. You are responsible for all material covered and all assignments made in class. Any time you are absent from a class, laboratory or other scheduled events, it is your responsibility to make satisfactory arrangements for any makeup work permitted by the instructor.

An absence is defined as nonattendance for any reason, including illness, emergency or official leave. If you arrive late to class, you may not be allowed into the classroom and may be considered absent for that period. If you leave before the instructor dismisses class, you may also be considered absent. All class sessions are important. Any time you miss a class, you increase your risk of making a failing grade.

If you quit coming or participating in the course and do not officially withdraw by the withdrawal date for each semester, you will receive a grade of F or U. Your instructor cannot assign a grade of W. If you receive financial aid or veterans' aid, your aid may be revised as a result of any changes in your course schedule.

INTERNATIONAL STUDENT ATTENDANCE POLICY

Trident Technical College is required by federal regulations to track and report changes in international students enrollment or attendance during the semester. Faculty are required to notify the Admissions office when an international student stops attending a traditional class or stops active involvement in a distance learning class for more than two weeks. The College's International Students Admissions Coordinator will notify the Department of U.S. Citizenship and Immigration Services when an international student has ceased attendance or changed their enrollment status during the semester.

VETERANS ATTENDANCE POLICY

All veterans and eligible persons receiving VA educational benefits while enrolled TTC are required to maintain class attendance. When a student's absences in a traditional class exceeds two consecutive weeks of scheduled meetings after the drop/add period, the instructor will complete and submit an Attendance/Progress Report to the TTC VA Office. If a student ceases active involvement in online or other modes of distance learning courses for two consecutive weeks, the same procedure of reporting will apply. The TTC VA Office will notify the Veterans Affairs Regional Office in Atlanta, Georgia or the Department of Veterans Affairs Vocational Rehabilitation and Employment Office in Charleston, S. C. of the change in enrollment. The respective offices will determine the necessary adjustment to a student's educational benefits.

Withdrawal Policy

After the drop/add period, you may withdraw from a course either on TTC Express or by completing a withdrawal form in the Registrar's office. Refunds are prorated according to TTC Refund policy. The last day to withdraw from a course and receive a grade of W is published in the academic calendar. The academic calendar is printed in the calendar section of this handbook.

If you withdraw, the grade of W will be entered on your academic record. This grade will not affect your GPA.

Failure to submit paperwork to withdraw from a course will result in the grade of F on your permanent academic record. A decision not to attend a course does not constitute a withdrawal from it. If you stop attending classes without officially withdrawing from the course(s), you risk harming your academic record with a failing grade. The withdrawal policy for some programs is more restrictive and will apply to students in those programs.

If you are receiving Title IV financial assistance, you need to discuss withdrawals and your financial aid status with a member of the Financial Aid staff. Students who are receiving financial aid and totally withdraw prior to the end of the 60 percent period in a semester will be subject to repayment of Title IV funds.

VETERANS WITHDRAWAL POLICY

TTC requires veteran students who withdraw from a course to obtain the last date of attendance from the instructor for inclusion on the withdrawal form before submitting the form to the Admissions office for processing. A copy of the withdrawal form must be submitted to the TTC Veterans Assistance Office. Veteran students who withdraw from a class or classes need to contact the TTC Veterans Assistance Office to discuss your award status and the VA policy on withdrawals.

Change of Student Information

The information given on your original application for admission is considered current. Failure to report address changes causes delays in receiving important correspondence. To change any personal information or program of study, you must complete a Student Information Update form in the Admissions office. You can also update your address on TTC Express->Address Change.

Change of Program Major

You may change your major at any time if you meet the academic qualifications for the program. If you decide to change your major, submit the request to Admissions prior to registration. The Orientation Center will assign a new advisor based on your new major. All changes submitted during the drop/add period will be effective that semester. Changes submitted after the drop/add period will be effective the next semester.

If you are receiving Veterans educational benefits and change your major, you must contact the TTC VA Office and complete the Program Change Form for the Department of Veterans Affairs.

Release of Student Records

Transcripts are issued by the Registrar's office. The Family Educational Rights and Privacy Act of 1974 (FERPA), known as the Buckley Amendment, requires that you sign individual release forms for each company, school or individual to whom you desire information released.

Parents of post secondary level students have no inherent rights to view a student's education records. Records may be released to parents only under the following circumstances:

- By written consent of the student
- In compliance with a subpoena
- By parents submitting evidence that the student is declared as a dependent on their most recent Federal Income Tax form (IRS Code of 1954, Section 152).

Parents or guardians of dependent students may access dependent student records by completing a request form and providing appropriate documentation to verify the dependent status of the student to the office of the vice president for Student Services.

In accordance with FERPA, Trident Technical College is allowed to publish the following designated student directory information relating to individual students: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students wishing to restrict publication of their student directory information must notify the Registrar's office in writing.

Procedures to be used for compliance with the provision of the Act can be found in the Registrar's office and the Student Services office. Questions concerning the Family Educational Rights and Privacy Act may be referred to the Registrar's office and the Vice President for Student Services office.

Grading System

You may view your grades online at TTC Express. Grades will not be released in the Admissions office. Report address changes immediately to the Admissions office or update directly on TTC Express.

Unit of Credit

The semester credit hour is the system of credit used by TTC. Grade Point Averages (GPA's) are not rounded.

Calculating GPA

The words grade, point and average give you a clue as to how you find your GPA. First you have to determine your grade points, and then you take an average. Every letter grade has a numerical value assigned to it: A=4; B=3; C=2; D=1; F=0.

To find out your grade points for a class you have taken, multiply the numerical value of your letter grade by the credit hours assigned to the course. Example: you took English 101, which is three credit hours, and you earned a C in the course (Remember, C=2). Just multiply 2 (for the C) x 3 (credit hours). That is, $2 \times 3 = 6$. So, for this class, you have six grade points.

Now calculate the grade points for each class using the example below:

Course	Credits	Grade Earned	Grade Value	Grade Points
ENG-101	3	C	2	$3 \times 2 = 6$
CHM-110	4	A	4	$4 \times 4 = 16$
PSY-201	3	B	3	$3 \times 3 = 9$
Total Credits	10	and Grade Points		31

Once you have figured out your grade points you can compute the average. To compute the grade point average:

1. Total your grade points by adding the grade points from each class: $6+16+9=31$
2. Total the number of credits attempted: $3+4+3=10$
3. Divide the total grade points by the total number of credits: $31 \text{ divided by } 10 = 3.1$

The grade point average, or GPA, in this case is 3.1.

GRADING SYSTEM

Letter Grade	Numerical Scale
A	91-100
B	81-90
C	71-80
D	65-70
F	Below 65

Grade System Chart				
	Grade	Used in GPA Calculations	Earns Credit Hours	Grade Points Carried Each Credit Hour
A	Excellent	Yes	Yes	4
B	Above Average	Yes	Yes	3
C	Average	Yes	Yes	2
D	Below Average	Yes	Yes	1
F	Failure	Yes	No	0
I	Incomplete*	No	No	0
W	Withdrawn	No	No	0
SC	Satisfactory Completion	No	Yes	0
U	Unsatisfactory	No	No	0
AU	Audit	No	No	0

**Defaults to F (or U, if applicable) automatically after midterm of the next semester, unless work is completed and grade is assigned by the instructor.*

Repeated Courses

If you repeat a course to attain a higher grade point average, the first grade will remain on your transcript. However, the highest grade obtained for that course will be used to compute your grade point average.

Grade Changes

To request a change of grade in any course, contact the instructor who originally assigned the grade. You must request any grade change within two semesters of the semester in which the grade was assigned.

Incomplete Grades

Requirements for an Incomplete grade (I) must be completed by midterm of the next semester. A grade of F or U will be assigned for an I that is not removed by the appropriate date.

Requests for a change of grade other than Incomplete must be submitted to the Registrar's office by the appropriate faculty member within one semester to two semesters following the semester in which the grade was assigned.

Academic Honors

To be placed on the dean's list by the academic dean in your division of study, you must meet the following requirements:

- Declare a major;
- Take a minimum course load of 12 credit hours for the full-time dean's list or a minimum course load of six credit hours for the part-time dean's list;
- Earn a current semester grade point average (GPA) of 3.50 or above;
- Receive no course grade lower than a C during the given semester. A grade of D, F or I during the given semester disqualifies you from the dean's list. A designation of Audit (AU) or Satisfactory Completion (SC) does not affect inclusion on the dean's list, as long as your remaining course load meets or exceeds the minimum hours required.

Academic Standing

Students who are unable to achieve passing grades for a semester will be subject to meeting the requirements of the College's academic action which includes a warning and probation period followed by academic suspension for a semester when academic standards are not met as follows:

Academic good standing

Academic good standing occurs when your current term GPA is at least 2.0 or higher, and your last academic standing was not academic suspension.

Academic warning

Academic warning occurs when your current term GPA is below 2.00. If you are on warning, you will receive a letter explaining the College's academic warning/academic standing policy and advising you that you will be placed on academic probation if your term GPA is below 2.00 for a second consecutive term.

Academic probation

Academic probation occurs when your current term GPA is below 2.00 and your last academic action was academic warning. If you are on probation, you will receive a letter from TTC explaining the College's academic probation/academic standing policy and advising you that a second consecutive term GPA below 2.00 as well as a cumulative GPA below 2.00 will result in academic suspension.

Academic suspension

An academic suspension for one semester occurs after any three consecutive terms of enrollment in which your term GPA is below 2.0, and first term in which your cumulative GPA is below 2.0. Consecutive terms of enrollment are any two terms in which the student is enrolled even if there are terms in between in which the student is not enrolled.

After being academically suspended for one semester, you must meet with a counselor in Counseling and Career Development Services.

Students are placed on academic and financial aid suspension when their academic performance falls below the minimum standards set by the College (cumulative grade point average and/or credit hour completion rate).

Students may appeal their suspension by completing the online appeal form on the TTC Web site (www.tridenttech.edu) and submitting printed documentation of the extenuating circumstances causing their poor performance to the counter in the Student Center, Bldg. 410, Main Campus or to the Admissions office at Palmer or Berkeley campuses. This explanation and documentation must not only describe the circumstance but also its resolution for future enrollment.

The appeal process is overseen through the office of the vice president for Student Services. The appeal deadline is 5 p.m. on the final registration day for the upcoming term.

The online appeal form must be accompanied by appropriate supporting documentation. Appeals submitted without appropriate documentation will be denied. Appropriate documentation includes:

- One page, typewritten letter explaining the circumstances and their resolution
- Physicians/hospital report detailing the duration and extent of serious health conditions
- Police reports and associated documentation
- Any other relevant documentation to substantiate the appeal

An extenuating circumstance shall be defined as a situation involving a serious health condition of the student, death or serious health condition of an immediate family member, or a traumatic/extraordinary event. Immediate family must be related to the student or student's spouse as follows: parents/legal guardians, grandparents, brothers, sisters and children

Relatives outside this definition require additional documentation or a more immediate relationship. A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

- Any period of incapacity or treatment related to inpatient care
- Any period of incapacity requiring care by a health care provider resulting in five consecutive absences
- Continuing treatment by a health care provider for a chronic or long-term condition that is incurable or so serious that, if not treated, would result in a period of incapacity
- A traumatic/extraordinary event shall be defined as a sudden, uncontrollable event that adversely affects the student's academic performance, such as natural disaster, divorce, rape, religious mission, military duty and mandated work schedule changes.

Not included in this definition are issues such as transportation, roommate problems, problems with faculty, difficult course load, etc.

You will be notified through your student e-mail account in CampusCruiser of the appeals committee's decision. The committee's decision is final.

Academic Fresh Start

Academic Fresh Start is available to you on a one-time basis if you re-enroll at TTC after a period of three years and wish to expunge your previous academic record at TTC. To qualify, you must meet specific conditions. Details are available in the Registrar's office or on the TTC Web site (www.tridenttech.edu). (Academic Fresh Start does not apply to financial aid.)

Graduation Process

The College awards associate degrees, diplomas and certificates upon the successful completion of the required academic course work as described in the Catalog.

Some programs may permit the use of courses not listed in the current catalog as course substitutions for required courses or electives. The decision to permit the use of course substitutions is made by the student's academic program of study. Students must request course substitutions through their advisor.

Upon completing requirements for any associate degree, diploma or certificate, you should apply for graduation from that particular program. Diplomas may not be issued for programs that have been discontinued.

To graduate, you must have an overall grade point average of 2.0 or better for all courses required in your degree, diploma or certificate program. If you have earned credit hours from other institutions or agencies, you may meet the qualifications for graduation by completing a minimum of 25 percent of the total hours required in courses in your program at TTC. Refer to College Admissions Procedures for catalog applicability.

If you decide to re-enroll at TTC after graduating, you will need to declare a new major to continue your studies in a new program of study by submitting a student update form to the Admissions office.

Applying for Graduation

To apply for your associate degree, diploma or certificate, use the graduation application available in the Registrar's office or submit the online graduation application in TTC Express.

To be eligible to participate in the ceremony, students must submit the graduation application to the Registrar's office during the semester prior to program completion or by the designated application deadline. A separate graduation application is required for each program of study.

Students who do not complete all requirements for graduation by the end of the term anticipated for graduation must reapply for graduation by submitting a new Application for Graduation form to the Registrar's office. All financial obligations to the College must be resolved before a degree can be issued.

Diplomas and certificates are issued to students who successfully complete all requirements approximately four to six weeks after application for graduation and the end of the semester of successful program completion

Graduation Ceremony

TTC holds one graduation ceremony annually at the end of Spring Semester. If you will be completing your course requirements at the end of the fall, spring, or summer term of the current academic year, you are invited to participate in the ceremony.

If you plan to participate in the annual graduation ceremony, you must submit the graduation application to the Registrar's office during the semester prior to program completion or by the designated application deadline and check the appropriate block on the graduation application to indicate attendance. When indicating participation in the graduation ceremony on the application, students graduating with multiple programs must select one program to march under in the graduation ceremony.

Graduation Application Ceremony Information:

Blank = Not Attending Ceremony

NP = No photograph

P = Photograph

D = Disability Assistance Requested, No photograph

PD = Disability Assistance Requested, Photograph

You also must purchase a cap and gown from the TTC Bookstore by the established graduation application deadline. Before you may purchase your cap and gown, you must obtain a Cap and Gown Order Form at the Registrar's office on the Main Campus. A Graduation Application must be submitted at the Registrar's office before a Cap and Gown Order Form will be issued.

Students earning more than one degree, diploma or certificate in the same academic year are required to select one program of study for graduation ceremony participation, including honors recognition.

Diploma covers are given at the ceremony. Diplomas and certificates are issued to students approximately four to six weeks after applying for graduation and successful program completion of your final semester.

Graduation Honors

Graduation honors are awarded based on the following criteria:

<u>Honors Level</u>	<u>Cumulative GPA*</u>
Summa Cum Laude	3.95 - 4.000
Magna Cum Laude	3.75 - 3.949
Cum Laude	3.60 - 3.749

Graduation honors are awarded at the official graduation ceremony to students who complete course requirements as of fall and spring semesters. Students completing course requirements during the summer term will receive honors when the degree, diploma or certificate is awarded. TTC awards medallions to honor the outstanding academic achievement of students during the graduation ceremony. In order to receive an honors medallion, you must participate in the graduation ceremony. The diplomas prepared by the Registrar's office for students who achieve academic honors reflect the student's accomplishment.

Fall and Spring Graduates

The level of the honors medallions is based on your final term cumulative grade point average.* You must take a minimum of 30 credit hours of college level courses at TTC to be eligible for graduation honors, and your program of study must have a minimum requirement of 30 credit hours.

Summer Term Graduates

Students who will complete their studies in Summer Term will be issued honors medallions based on their most recent cumulative GPA.* You must take a minimum of 30 credit hours of college level courses at TTC to be eligible for graduation honors.

* Cumulative GPA is based on all work attempted at TTC. GPA is not rounded.

Allied Health Sciences / Nursing Progression Requirements

If you are in any Allied Health Sciences curriculum, you are required to achieve at least a 2.00 GPA each term for the duration of your program. Applications for graduation must be submitted to the Registrar's office during the semester prior to completion or by the designated application deadline. Furthermore, if you are an Allied Health Sciences or Nursing student, you must achieve at least a grade of C in each theory, laboratory and clinical component of the program and must achieve a minimum grade of C in all prerequisite and corequisite courses. Allied Health Sciences and Nursing programs may have additional and more stringent requirements for student retention, promotion and graduation.

Program Exit Examinations

Associate degree programs may require applicants for graduation to complete a nonpunitive exit examination. If you are required to take an examination, the College will notify you by mail.

Testing Services

Testing Services offers placement testing in a computerized format. You may take this test throughout the semester prior to your admission to the College. If you miss a test in one of your courses and are allowed to make it up, you may be directed by your instructor to report to Testing Services to take your makeup exam. Testing Services also administers most distance learning tests and several certification tests. For testing information, call 843.574.6410 on Main Campus, 843.722.5516 on Palmer Campus, and 843.899.8079 on Berkeley Campus. Use of Testing Services by the student constitutes an implicit agreement, on the student's part, to abide by the Testing Services rules as posted in each testing area. All tests are carefully monitored for academic misconduct, and appropriate actions will be taken in such situations as outlined in the Student Code found in this Student Handbook.

Distance Learning Testing

Distance Learning courses involve a variety of nontraditional course delivery methods (e.g., course-in-a-bag, online, mixed-mode, etc.) designed to make college classes available to individuals who, for a variety of reasons, may not be able to attend traditionally scheduled classes. The course content and the expected learning outcomes do not change from the courses offered through traditional delivery. The only difference is the method of instruction and testing.

If you are enrolled in a Distance Learning course (course-in-a-bag, and some online and mixed-mode courses) and your instructor tells you to go to Testing Services for course testing, please follow these procedures:

- Provide a valid picture ID at time of testing (e.g., college ID, driver's license, passport, military ID) NOTE: Work IDs are not accepted.
- Provide your course name, course number, and section number.
- Print your name, sign your name, indicate date of testing on the Distance Learning Test Pass provided by Testing Services, and sign the log-in/log-out roster.
- Place your belongings in a red testing bag provided by Testing Services; you can keep the bag on the floor next to you while testing.
- You are responsible for your own test time limits.
- You are responsible for allowing adequate time for test completion during Testing Services' hours of operation.
- You are responsible for ensuring that the testing deadline has not passed. (Note: Testing Services will not allow you to test if the instructor's test deadline has passed as indicated on the instructor's Test Information Cover Sheet.)
- If you believe you require a disability-related testing accommodation, please contact Services for Students with Disabilities at 843.574.6313 at the beginning of the semester prior to taking a test.

Make-up and Retests

With instructor approval, Testing Services administers both makeup tests if you miss a test due to an emergency and retests if you fail a test. If your instructor allows makeup tests or retests in Testing Services, you should follow testing procedures. You are required to test on the campus on which you take your course. If you need to test on a different campus, contact your instructor at least three days prior to testing for authorization to have your test sent to desired campus (e.g., Palmer or Berkeley to Main for Saturday testing).

If your instructor tells you to go to Testing Services for a makeup or retest, please follow these procedures:

- Provide a valid picture ID at time of testing (e.g., college ID, driver's license, passport, military ID) NOTE: Work IDs are not accepted.
- Provide your course name, course number, and section number.

- Print your name, sign your name, indicate date of testing on your Test Pass (given to you by your instructor or supplied to you by Testing Services), and sign the log-in/log-out roster.
- Place your belongings in a red testing bag provided by Testing Services; you can keep the bag on the floor next to you while testing.
- You are responsible for your own test time limits.
- You are responsible for allowing adequate time for test completion during Testing Services' hours of operation.
- You are responsible for ensuring that the testing deadline has not passed. (Note: Testing Services will not allow you to test if the instructor's test deadline has passed as indicated on the instructor's test administration information.
- Each semester, the last day for taking makeup tests or retests is the weekday before the start of final exams.

If you believe you require a disability-related testing accommodation, contact Services for Students with Disabilities at 843.574.6313 at the beginning of the semester prior to taking a test.

CLEP and DANTES DSST

CLEP

TTC may grant credit for selected College-Level Examination Program (CLEP) examinations with satisfactory scores obtained from either paper-and-pencil or computer-based test administrations.

College Board charges \$65 for each examination taken. Fees are payable by check, money order or credit card (VISA, Mastercard, American Express), to College-Level Examination Program on the day of testing. (Note: DANTES pays the \$65 per test CLEP Examination Fee for examinees with appropriate military ID.) For all examinees, a \$16 per test service fee, paid separately from the CLEP examination fee(s), is payable to Trident Technical College on the day of testing. CLEP examinations allow examinees to demonstrate knowledge relating to specific college courses that have similar titles. CLEP examinations are multiple-choice format and 90 minutes in duration. Some exams have optional essay sections depending on your institution's requirements. Examinations fall into one of the following categories: humanities, history and social sciences, foreign languages, composition, science and mathematics, and business.

DANTES DSST

TTC may grant credit for selected DANTES DSST examinations with satisfactory scores. DANTES DSST exams are multiple-choice format and approximately 2 hours long. Some exams have an optional essay section. Candidates should contact the institution that will be accepting the credits to determine if the essay section is required. Examinations fall into one of the following categories: humanities, social and physical sciences, applied technology and mathematics, and business.

DSST charges \$70 for each examination. Examination fees are payable by debit card or credit card (VISA, Mastercard, American Express), to DSST on the day of testing. A \$16 per test service fee, paid separately from the DSST Examination Fee(s), is payable to Trident Technical College.

As a College-Level Examination Program (CLEP) and Defense Activity for Nontraditional Education Support (DANTES) DSST Open-Test Center, TTC administers CLEP (and CLEP for Military), at Main and Palmer campuses, and DANTES DSST tests, at Main Campus, throughout the year. To schedule an appointment call 843-574-6438 (Main Campus) or 843-722-5516 (Palmer Campus).

TTC Advanced Standing Limitations for Credit by Examination

Advanced Standing through credit by examination is subject to the following limitations:

- The College grants up to 16 semester credit hours (but no more than one-fourth of total hours required to complete curriculum) of Excelsior College, CLEP, DANTES DSST or PONSI credit providing the minimum required score is attained on approved exams.
- Students must verify that official test score reports are on file in the Registrar's office prior to the start of the semester during which the requested credit may be granted.
- If the minimum required score is not attained, students may retest six months after the original test date (CLEP and DANTES DSST).
- TTC will not grant credit for a course previously attempted (including withdrawals after the drop-add period).
- Awarded Advanced Standing credits will not affect a student's grade point average.
- TTC does not guarantee that Advanced Standing credit awarded for required TTC courses will transfer to other institutions.

Computerized Certification Tests (Prometric)

Testing Services on Main Campus administers computerized professional licensure and certification tests (e.g., Microsoft, CompTIA, Cisco) as an Authorized Prometric Test Center (APTC). For all certification testing, you must present one valid picture ID and two valid signature IDs (e.g., driver's license, passport, Military ID, Credit Card, etc.), read the testing regulations, and sign and date the log-in form. You are provided with erasable note boards for use as scratch paper along with marking pens. Earplugs are available upon request. You must return note boards and pens after testing to receive your embossed score report. Note that candidates taking Beta tests do not receive their score reports until several weeks after testing.

You can register and pay for tests by phone or online. For the most common exams, call 1-800-755-EXAM for Microsoft exams; 1-800-204-EXAM for Cisco exams; and 1-800-77- MICRO for A+ exams. To register online, visit <http://www.2test.com> or <http://www.prometric.com>.

Students with Disabilities Testing Accommodations

Working with Services for Students with Disabilities, Testing Services provides the following accommodations for students with appropriately documented disabilities who require alternative testing outside the classroom:

- Minimally distraction-free environment
- Extended testing time
- Scribes for those with limited writing ability
- Accommodations for school-administered standardized tests (e.g., CLEP and DANTES DSST)
- Computerized testing in lieu of paper-and-pencil testing

If you need to use Testing Services for course testing, make an appointment with a counselor in Services for Students with Disabilities (SSD) at the beginning of each semester upon receiving your course syllabi. You must supply appropriate documentation to SSD before an approved testing accommodation can be made.

Your SSD counselor will review your semester schedule and determine any assistance needed for testing. At least one week prior to taking your test, check with Testing Services to ensure all accommodations are confirmed. You are responsible (not your instructor or your SSD counselor) for reserving ADA testing rooms if needed.

If you believe you require a disability-related testing accommodation, contact Services for Students with Disabilities at 843.574.6131 prior to taking a test.

Student Development

Counseling and Career Development Services

How do I make a career choice? Consider the following questions as you examine your choices: What do I want to do? What do I enjoy and find interesting? Where do I want to work? What are the working conditions I desire? Where do I want to live? What city, state or country do I prefer? Am I willing to travel? Do I want to work for a profit-making or nonprofit organization? When do I want to work? Am I willing to do shift work?

How available are jobs in my interest area? Will there be a lot of competition? Can I advance? Is there a limit on how much I can earn?

Don't expect to make a choice without using energy. Along the way, you may become confused by your alternatives. Don't despair—get help from Counseling and Career Development Services available at all three campus locations. Juggling the roles of student, spouse, parent and worker can become overwhelming! Educational Opportunity Programs at TTC

Trident Technical College Educational Opportunity Programs consist of several federal and state grant programs. The federal grant programs are known as TRIO programs. The state grant program, Project Assist, is funded by the Carl Perkins Act.

These grant programs are educational outreach programs targeted to assist and guide TTC students or prospective college students who plan to enroll in nontraditional programs or are low-income, first-generation college students, students with disabilities, or college bound high school students to progress through the academic pipeline from middle school to college. All are designed to assist students in overcoming barriers to higher education and provide participants with ongoing support in counseling, academic guidance, tutoring and assistance with applying for financial aid.

TTC students may be eligible to participate in one of the following grant programs:

- Project Assist
- Student Support Services

The College also has the following community outreach grant programs geared specifically either for high school students or adults planning to enroll in college:

- Educational Opportunity Center (adult students)
- Educational Talent Search (high school students)
- Upward Bound Math and Science (high school students, summer program)

Visit TTC Web site (www.tridenttech.edu) to learn more information about the above programs.

Project ASSIST

Project ASSIST (Assisting Successful Students in Selected Technologies) helps retain eligible enrolled students in technology programs and provides services to assist them in completing a program of study. Project ASSIST is a free service to enrolled students who are economically disadvantaged who maintain a cumulative 2.2 GPA and who are in one or both of the following categories:

- Single parents/displaced homemakers/single pregnant women
- Targeted programs in degrees such as Industrial, Engineering, Computer Technology and General Technology

The project encourages the enrollment of students in nontraditional fields of

study and may provide services that reduce barriers to eligible students enrolled in the targeted programs of study.

Project ASSIST provides comprehensive services that include career, personal and academic counseling.

Applicants must participate in a screening and orientation session. Students who are accepted must see a counselor once a month, attend selected workshops and successfully continue toward their academic goal.

Project ASSIST is funded through the Carl D. Perkins Career and Technical Improvement Act of 2006.

Student Support Services

The Student Support Services (SSS) program focuses on improving retention and graduation rates at TTC. In addition, the program assists students who plan to transfer to four-year colleges or universities by providing transfer advice and transfer tours to various colleges and universities. SSS also provides activities for cultural enrichment. As a student in the program, you may receive tutoring in academic courses, assistance in obtaining financial aid, academic report at midterm from your instructors each semester and personal and career counseling.

You are eligible for the SSS program if you are enrolled at TTC, have an academic need and meet any of the following criteria: are a first generation college-student (neither of your parents/guidance received a four-year degree); meet federal guideline of certain income; have any diagnosed and documented disabilities. As an SSS participant, you need to see your counselor on a scheduled basis, attend SSS workshops as well as cultural activities. You also need to make progress toward achieving your academic goals.

Student Support Services is a TRIO program funded through a grant from the U.S. Department of Education.

Student Activities

Involvement in Student Activities programs complements the academic program and enhances your college experience. Preparing for the future is important. There's more to life than the classroom or the job. There's learning to work with people as a group or individually, developing social and professional skills, examining national and current issues, experiencing new and different cultural events, and getting involved in leisure and recreational events.

Opportunities for personal and professional growth include student organizations, Student Cabinet, student publications and Student Activities programs. For a more detailed look, read on.

Student ID Card

The TTC student identification card allows you to use the library facilities, not just at TTC, but at other area colleges as well, including Charleston Southern University, The Citadel, the College of Charleston and the Medical University of South Carolina. Student identification cards are available for currently enrolled credit students through the Student Activities office at Main Campus, the Admissions office at Palmer Campus and the LRC at Berkeley Campus.

ID cards are issued during the registration process or can be obtained during the routine operating hours of the Student Activities office, Monday through Thursday. There is a \$5 fee to replace an ID card.

ID cards should be revalidated each semester. Proof of registration and a picture ID are required to receive a validation sticker.

Continuing Education students receive ID cards from the Division of Continuing Education and Economic Development. Call 843.574.6152 for more information.

Activity Period

All classes are suspended one hour each month on a rotating basis to provide time for student organizations to conduct meetings. The activity period schedule is available from the Student Activities office or may be found posted on campus bulletin boards.

Student Cabinet

All TTC student organizations comprise the College's Student Cabinet, which meets every semester with the president of the College. Student Cabinet members are the president and vice president of each student organization. Student Cabinet provides an avenue for students to express viewpoints to College officials, to receive information regarding College policies and procedures, and to participate in the institution's decision-making process by serving on appropriate institutional committees.

Trident Times – Student Newspaper

TTC's student newspaper, The Trident Times, is published by the students and for the students. The newspaper editor is interviewed and selected by the Student Publication Board. The newspaper staff is made up of students interested in applying their journalistic skills through the exchange of news and viewpoints.

The Trident Times is currently available in paper copy distributed at all three campuses and also electronically on CampusCruiser at <http://prod.campuscruiser.com/ttc>.

TTC Student Awards Program

TTC's Awards Program is held at the end of Spring Semester to recognize both the academic and leadership accomplishments of outstanding students and student organizations.

TTC Student Events

Several resources are available on campus to keep you informed of College happenings. Please be aware of the following sources of advertising and information.

The bulletin boards located in the building hallways on each campus highlight information about College activities, as well as classified ads. Items placed on bulletin boards require approval through the Student Activities office or the campus directors of Berkeley and Palmer campuses.

There's a campus program for everybody. Student Activities strives to provide programs that include social, educational, co-curricular and family components. Suggestions for campus events are always welcome. Just stop by Student Activities to make any suggestions or call 843.574.6012.

Campus Security Act and Crime Statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Statistics Act requires TTC to collect and report crime statistics for crimes committed on campus, non-campus property and public property contiguous to TTC campuses. These statistics are also required to be reported annually to the U.S. Department of Education, Office of Postsecondary Education (OPE) to assist students and their parents in researching criminal offenses on college campuses. Statistics for more than 6,000 colleges and universities in the United States can be accessed on OPE's Web site (www.ope.ed.gov/security). The College policies and procedures relating to campus security and the annual crime statistics are published in TTC's Be Safe brochure and Public Safety's Web page at <http://www.tridenttech.edu>. Other web sites containing crime information include:

- State of South Carolina Law Enforcement Division S.C. Sex Offenders Registry Web site: <http://www.sled.state.sc.us/>
- Security on Campus Web site: <http://www.soconline.org/>

While the College makes considerable efforts to ensure the safety and security of everyone on campus, it is your responsibility to take precautions to protect yourself.

Whenever a threat to students is determined, timely notice will be made by College officials to help you become aware and protect yourself. Law enforcement activities on campus are supplemented by mutual aid agreements with local police agencies.

Think and practice crime prevention. Report any crimes or suspicious situations to Public Safety immediately, 843.574.6053 (6053 from a campus phone).

The only exception to this policy will be for on-call emergency personnel (police, fire, EMS), who are required to notify their classroom instructor of their need for such devices at the beginning of the semester and provide documentation verifying their occupation. However, on-call emergency personnel may not leave a testing situation, communicate by electronic means and return to complete an examination. In these cases, instructors should make arrangements for retesting. Eating and drinking in the classroom are not permitted.

Disruption of Academic Process

Any disturbance that may hinder the educational programs provided by TTC is in violation of South Carolina law (Statute 16-17-420).

Fire Drills

Unannounced fire drills are conducted on a periodic basis. Faculty members are responsible for monitoring and coordinating the safe evacuation of students during drills or actual emergencies. You should take your purse, bookbag and any other personal belongings without delay when evacuating in case return to the building is not possible. You are to assemble at least 150 feet from buildings and are not to reenter buildings unless instructed by Public Safety or other College officials.

If you do have a book stolen, report it to Public Safety immediately.

Traffic and Parking Regulations

Parking Decals and Traffic Regulations

All students operating vehicles on campus must obtain a parking decal. Parking decals are available in the Business office on Main Campus, and in the Admissions offices on Berkeley and Palmer campuses. Decals are to be placed on the rear window, driver's side of the vehicle.

Decals issued for the Fall Semester are valid through the end of the calendar year. New decals need to be obtained for Spring Semester. Spring Semester decals are valid for use through the Summer Term. Temporary parking permits, which may be issued at no cost for special seminars, can be obtained from Public Safety.

Bikes may not be taken into buildings or parked where they may become a safety hazard. Please use the bicycle racks and lock your bike.

Preventing or Reporting Sexual Assaults

Sexual Assault (forcible and nonforcible sex offenses)

Sexual assault, sexual battery and related sexual offenses are not only criminal violations, but also conduct prohibited by the College. Sexual battery/assault is defined as any actual or attempted non-consensual or forcible sexual act: sexual intercourse, cunnilingus, fellatio, anal intercourse or any intrusion, however slight, of any part of a person's body or of any object into the genital or anal openings of another person's body. The inability to provide consent may be determined by the person's age, mental or physical incapacity, intoxication (drugs and/or alcohol), or other valid reasons.

Preventing sexual assaults on campus

To increase awareness and educate students, faculty and staff on ways to prevent sexual crimes on campus, the College offers sexual assault prevention programs through the assistance of outside agencies such as People Against Rape. Anyone can become a victim of sexual assault, especially on college campuses where acquaintance rape is prevalent.

If you are sexually assaulted

1. **Go to a safe place.**
2. **Notify the police.** Reporting the crime does not obligate you to file charges or testify in court. However, a report of the incident and any evidence collected may provide successful legal action if you decide to pursue criminal charges at a later date. The information you provide may also prevent someone else from becoming a victim and it may help toward regaining your sense of personal control.
On Campus: Call Public Safety immediately at 843.574.6053 from an outside telephone; 6053 from a campus telephone; or by activating an emergency call box.
Off Campus: Call local police immediately by dialing 911 or their local number.
Provide the following information:
 - o Your name
 - o Your exact location and the location of the incident
 - o The phone number from where you are calling
 - o Description of injuries, if any
 - o Immediate details of the incident (where it occurred, how long ago)
 - o Information about the accused (name, if accused is present, physical description, clothing, description, direction of flight, description of vehicle, etc.)
3. **Preserve all physical evidence that may be present.** Do not shower, bathe, douche or urinate. Do not eat, drink, smoke, rinse your mouth or brush your teeth. Do not change clothes if it can be avoided. If changing clothes is necessary, secure your changed clothes inside a paper bag, not plastic. Do not disturb the crime scene(s).
4. **Obtain medical assistance.** Even if you choose not to prosecute or report the assault, you are strongly encouraged to go through the rape protocol exam for medical attention and for the purpose of preserving important physical evidence of the assault. The rape protocol exam should be done as soon as possible. Physical evidence can be obtained up to 72 hours after the assault; however, as time passes, the quality of the evidence diminishes.

- On campus: Call Public Safety immediately at 843.574.6053 from an outside telephone; 6053 from a campus telephone; or by activating an emergency call box.
- Off campus: Call local emergency medical service immediately by dialing 911 or their local number. You can also report in person to any local area hospital emergency room.
- Contact a family member or friend to be with you.

Reporting to Public Safety

1. Public Safety will respond to your location on campus, ensure that you are safe and provide you with emergency medical assistance.
2. Public Safety will ask you questions about the assault (location and time of the assault, a description of the accused, etc.). If you request to speak to a male or female officer, Public Safety will make every reasonable effort to accommodate your request, to include contacting another law enforcement agency having concurrent jurisdiction. Local law enforcement may become involved depending on the circumstances surrounding the incident. A family member, friend or counselor may be with you during the interview.
3. Public Safety will protect the crime scene, contact local law enforcement as may become necessary and assist in the collection and preservation of evidence.
4. Public Safety will make contact with and escort you to Carolina Medical Assessment (or another appropriate medical facility such as the Medical University of South Carolina), a 24-hour forensic health care assessment facility located in North Charleston. CMAC has extensively trained, experienced forensic health care experts who provide immediate crisis stabilization and sexual assault response services at no direct charge to victims. In addition to medical assistance, Care Centers performs evidence collection and photo documentation. They also provide case management and medical-legal consultations.
5. Public Safety will contact other assistance agencies (People Against Rape, Solicitor's Office Victims/Witness Program, etc.) on your behalf. The Victims/Witness coordinator from the Solicitor's Office will help you file any documents related to the S.C. Victim's Compensation Fund.
6. Public Safety will treat you and your case with sensitivity, understanding and professionalism regardless of your gender or the gender of the accused. Public Safety officers will not prejudge you or blame you for what occurred.
7. Public Safety will NOT release your name to the public or the press.
8. Public Safety will continue to be available to you, answer your questions and explain the system and processes involved (solicitor, courts, etc.). Routine calls: 843.574.6052 (6052 from a campus phone) Emergency calls: 843.574.6053 (6053 from a campus phone)
9. Public Safety will professionally investigate your case, which may lead to the arrest and prosecution of the accused. You will be kept up-to-date on the progress of the investigation and/or prosecution.

How the College Can Help

1. The College's Counseling and Career Development Services will offer emotional support and refer you to community resources for victims of sexual assault.
2. The College will also change your academic situation if changes are requested and reasonably available.
3. The vice president for Student Services will initiate disciplinary proceedings when a student is accused of a sexual assault on campus.

Both the accuser and the accused are entitled to due process and both will be notified of the outcome of any disciplinary proceeding. Specific disciplinary sanctions are also outlined in the College's Catalog. The South Carolina Sex Offenders Registry is available on the South Carolina Law Enforcement Division (SLED) Web site at <http://www.sled.state.sc.us/>.

Sexual Harassment Policy

TTC strives to maintain an academic and work environment that protects the dignity and promotes the mutual respect of all students and employees of the College.

Sexual harassment of students or employees will not be tolerated. Unwelcome sexual advances, requests for sexual favors, verbal or written communications, and gestures or physical contacts of a sexual nature unsolicited and/or unwelcome will be considered sexual harassment in violation of Title VII of the Civil Rights Act of 1964. The College is fully committed to the prevention and elimination of sexual harassment and has procedures for handling allegations of sexual harassment.

Sexual harassment takes many forms, from continuous joking to physical assault. It may involve threats that you will fail in class or lose your job. It may make your study or work environment uncomfortable through continued sexual comments, suggestions or pressures. It may include sexually oriented verbal kidding or abuse including derogatory or degrading gender references such as whistling, catcalls or sexual remarks or jokes; subtle or overt pressure for sexual activity; and physical contact such as patting, pinching or constant brushing against another's body.

TTC's policy 8-2-0 and procedure 8-2-1, both titled "Sexual Harassment and Related Unprofessional Conduct," are available for review in the campus libraries and in the offices of vice presidents, deans and directors. The following faculty and staff members have been designated as contacts to help students, faculty and staff with sexual harassment concerns.

Student Code

I. GENERAL PROVISIONS

A. Trident Technical College students are members of both the community at large and the academic community. As members of the academic community, students are subject to the obligations which accrue to them by virtue of this membership. As members of the larger community of which the College is a part, students are entitled to all rights and protection accorded them by the laws of that community. By the same token, students also are subject to all laws, the enforcement of which is the responsibility of duly constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instances, College discipline will be initiated only when the presence of the student on campus will disrupt the educational process of the College. However, when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations. When students violate College regulations, they are subject to disciplinary action by the College whether or not their conduct violates the law. If a student's behavior simultaneously violated both College regulation and the law, the College may take disciplinary action independent of that taken by legal authorities.

B. Internal Solutions of Problems

The College will seek to solve problems by internal procedures of due process. When necessary, off-campus law enforcement and judicial authorities may be involved.

C. Definitions

When used in this code, unless the content requires other meaning:

- Expulsion means permanent separation of the College and student insofar as pursuance of degree, diploma or certificate programs are concerned. Depending upon the circumstances, the expulsion may also apply to Continuing Education courses.
- Student Cabinet refers to the student group comprised of the president and vice president of all officially chartered student organizations of TTC.

D. Additional Requirements

Discussion and expression of all views relevant to the subject matter are recognized as necessary to the educational process, but students have no right to interfere with the freedom of instructors to teach or the rights of other students to learn. The instructor sets the standards of behavior acceptable in the classroom by announcing these standards early in the semester. If a student behaves disruptively in class after the instructor has explained the unacceptability of such conduct, the instructor may dismiss the student for the remainder of that class period. B. Abuse of Privilege of Freedom of Speech or Assembly

No student, acting alone or with others, shall obstruct or disrupt any teaching, administrative, disciplinary, public service, research or other activity authorized or conducted on the campuses of the College. This disruption does not necessarily have to involve violence or force for the student to face disciplinary action. In addition to administrative action, any person who violated civil or criminal laws may be turned over to the

appropriate authorities. In the event of illegal or disruptive activity on a College campus, the vice president or other administrative officer will request that those involved either leave the campus or abide by regulations governing uses of, or presence on, the campus. The vice president or other official will further announce that failure to disperse will result in enforcement of South Carolina law pertaining to illegal or disruptive activity on a College campus. According to South Carolina law, it shall be unlawful for any person willfully or unnecessarily (a) to interfere with or disturb in any way or in any place the students or teachers of any school or college in this state, (b) to enter upon any such school or school premises, (c) to loiter around the premises, except on business, without the permission of the principal or president in charge, or, (d) to act in an obnoxious manner thereon.

This includes direct disobedience of a lawful order of a College official, as well as failure to evacuate a building during a fire alarm or refusing to present an ID upon request.

F. Other Unlawful Acts

Unlawful acts which call for discipline include, but are not limited to:

IV. RULES FOR STUDENT DISCIPLINARY PROCEDURE AND SANCTIONS

The procedures which follow are designed to deal with complaints against students by faculty, staff or other students, excluding complaints of academic dishonesty. Due process is essential in dealing with infractions of College regulations and state and federal statutes. Consequently, any disciplinary sanction imposed on a student or organization will follow the provisions of this code.

A. Administrative Suspension

If an act of misconduct by one or more students threatens the health or well-being of any member of the academic community or seriously disrupts the function and good order of the College, an administrative officer may direct students involved to cease and desist such conduct and advise them that failing to cease and desist will result in immediate temporary suspension. If the students fail to cease and desist, the administrative officer may then suspend them from the College until a resolution of the matter can be made.
2. The administrative officer invoking such administrative suspension shall notify the vice president in writing of the individuals involved and the nature of the infraction before 5 p.m. of the first class day following its imposition. If immediate identification of the student or students is impossible, such notice shall be given within two working days after identification has been determined.
3. After notification of the students involved, a hearing will be held in three working days or as soon thereafter as practicable, if requested by the suspended student(s).

Discrimination Complaints by Students

I. PURPOSE

The purpose of this procedure is to provide a system to channel student complaints against faculty and staff concerning discrimination on the basis of age, gender, color, race, disability or other conditions, preferences or behavior, excluding sexual harassment complaints. The College has a specific sexual harassment policy and procedure. Also, the College has a mediation process for students with disabilities. For information, contact a counselor for students with disabilities.

This procedure may not be used for any complaint which is not based on alleged discrimination. For academic matters, see Academic Complaints By Student.

II. PROCEDURES

A. First Step

The student must go to the instructor or staff member with whom the alleged problem originated within 10 days of the incident which generated the complaint. An attempt will be made to resolve the matter equitably and informally at this level. The conference must take place within 10 working days of the faculty or staff's notice of the complaint.

B. Second Step

If the complaint is not resolved at the informal conference, the student may file a written complaint. A complaint form shall be made available to the student from the vice president for Student Services. The vice president will explain the complaint process to the student.

The vice president shall give written acknowledgment of receipt of the complaint form. This acknowledgment shall be given immediately or no later than two working days after receipt of the complaint form from the student. The vice president will then refer the complaint to the immediate supervisor involved. The supervisor shall respond in writing to the student within 10 working days of the receipt of the complaint form from the vice president.

C. Third Step

If the written statement of the supervisor does not resolve the complaint, a request to appear before the Student Complaint Committee may be made. This request must be made in writing and addressed to the vice president, who will immediately convene the Complaint Committee as quickly as practical. The student must submit the request within five working days after receiving the written response of the supervisor.

The request shall include a copy of the original grievance form and the reason why the supervisor's response is unsatisfactory. A copy of the supervisor's response must be attached to the request by the student. The vice president will notify immediately the president of the College who shall ensure that a committee is organized in a manner consistent with Section III. A. of this procedure (the Student Complaint Committee). The vice president will send copies of the student's request to the members of the committee, the employee and the employee's supervisor. The employee against whom the complaint was filed shall be given an opportunity to respond in writing to the chairperson of the committee.

The meeting(s) shall be conducted between five and 15 working days following the date of the request. A postponement may be granted by the chairperson upon written request of either party if the reason stated justifies such action.

The committee shall hold interviews with the grievant, the employee and the supervisor, singularly, and in the absence of other witnesses. The committee may interview any additional witnesses that it considers necessary to render a fair decision.

The committee shall decide by a majority vote the solution to the grievance. In the case of a tie, the chairperson shall vote and thus break the tie. The chairperson shall forward a copy of the committee's decision to all parties involved and to the office of the president of the College within two working days of the committee's decision.

D. Fourth Step

The committee's decision may be appealed by either party involved to the president within 10 working days of the committee's decision. The president shall review the committee's findings and decisions, conduct whatever additional inquiries are deemed necessary and render a decision within 10 working days of receipt of the grievant's appeal. The decision of the president is final.

III. THE STUDENT COMPLAINT COMMITTEE

A. The Student Complaint Committee shall be composed of the following:

1. Three student volunteers from the Student Cabinet.
2. Two faculty members recommended by the vice president for Academic Affairs.
3. One Student Services staff member recommended by the vice president for Student Services.
4. One administrator, appointed by the president of the College, who shall serve as chairperson of the committee. All recommended members must be approved by the president.

B. Purpose and Function of the Complaint Committee

1. All Student Complaint Committees are ad hoc and shall be formed to hear specific complaints. A new committee may be formed every time a complaint under this procedure is filed.
2. When a committee is formed, it may adopt additional rules and guidelines not in contradiction with these procedures.

C. Rights of the Parties Involved in a Complaint

1. When a committee meeting is scheduled, the parties involved are entitled to:
 - a. A written notice of the complaint.
 - b. A written notice of the time and place of the meeting. This notice shall be forwarded to all parties at least five working days prior to the meeting unless they waive this requirement.
2. Review all available evidence, documents or exhibits that each party may present at the meetings.
3. Have access to the names of the witnesses who may testify.
4. Appear in person and present information on his or her behalf, call witnesses, and ask questions of any person present at the meeting.
5. The right to counsel. The role of the person acting as counsel is solely to advise the student. Legal counsel will not be allowed to question or cross examine witnesses or to address the committee for any purpose, directly or indirectly.

 2. With the approval of the department head, the faculty member may choose one of the four levels of action:

Level 1: Give no credit for the work in question and require the work to be done again for credit.

Level 2: Give a zero for the work in question and not allow the work to be redone for credit.

Level 3: Assign a grade of F for the course.

Faculty Employment and Evaluation

English Fluency Requirements

I. General Information

A. Purpose

These procedures were developed to comply with Tech policy 8-2- 109.1 and the English Fluency in Higher Education Act of 1991. The purpose of these procedures is to define methods to ensure that all permanent and adjunct faculty whose first language is other than English and who teach one or more credit courses possess adequate proficiency in both the written and spoken English language and that an appropriate response be given to the student complaints regarding an instructor's English fluency.

B. Exclusions

This policy does not apply to the following instructional settings: continuing education courses; student participatory and activity courses such as clinics, studio and seminars; special arrangement courses; courses designed to be taught predominantly in a foreign language; and courses taught by visiting instructors.

II. Procedural Guidelines

- A. Applicants for permanent and adjunct faculty vacancies will proceed through the College's normal screening process with assessment based on standard job-related criteria to include perceived written and oral communication abilities.
- B. If an applicant becomes a finalist for a faculty position but his/her written or oral English proficiency is judged by the dean to require further evaluation, then the applicant will be referred to an English Fluency Evaluation Committee, hereafter referred to as the Committee. The committee will ensure that an English fluency evaluation is made on the basis of the following criteria. The applicant will be evaluated by the committee through the performance of the following minimum proficiency exercise:
 1. Writing an analysis of at least 350 words in English of a scholarly paper written in English and related to the subject area.
 2. Conducting an oral instructional presentation for a time period equivalent to a class period and related to the subject area. At least half of the presentation should use the lecture method.
- C. The committee will include representatives from the following:
 1. One representative from the vice president for Academic Affairs office;
 2. One representative from Developmental Studies Reading;
 3. One representative from curriculum English;
 4. One representative from Employee Relations. The committee will ensure that appropriate procedures are used to provide a favorable environment for the exercises, as well as controls and security to ensure that the exercises completed by the applicants are independent and original work. Candidates must be judged by Committee consensus as proficient in both exercises described in No. 2.
- D. Any grievances under this procedure are to be filed with the office of the vice president for Academic Affairs. When a student files a grievance regarding the English fluency of an instructor, the instructor will be referred within 10 working days to the English Fluency Evaluation Committee for a proficiency evaluation using procedures and methods described in No. 1 and No. 2.
- E. An instructor who is judged proficient by the committee will continue teaching assignments without any further action. A permanent instructor judged deficient by the committee will be given 120 calendar days to develop sufficient skill to be judged proficient by the Evaluation Committee. If during this time the instructor has not shown evidence of satisfactory progress in overcoming the deficiency, additional action up

and including termination may be taken. The process of notification of need for correction of the deficiency as well as the maximum time allowed for correction are defined specifically in TTC Policy 8-0-0, Faculty Performance Management System.

- F. Any adjunct instructor judged deficient by the committee may be immediately terminated.
- G. The College's Human Resources office will annually report to SBTCE a recap of grievances filed by students under the provisions of this policy and any invocation of the fluency proficiency guidelines herein.

Faculty Evaluations

Trident Technical College continually strives to improve the quality of instruction. One of the College's most significant tools in this improvement effort is the Student Evaluation of Courses and Instructors. Collectively, students are the individuals best prepared to judge the quality of instruction.

The evaluation process is designed to protect each student's confidentiality. The evaluation form allows students to respond to questions related to the quality of their classroom experience. Students also are encouraged to write personal comments regarding any aspect of the course or instructor. Since the results are used to make changes in course content and to improve performance, it is important for students to be accurate and honest.

This evaluation is an online process, which sends the instrument directly to the student's e-mail account.

After all evaluations have been submitted, an independent, nonacademic office compiles the results. The final results for each course and instructor are shared with the appropriate academic department and are used to improve the quality of courses and instruction.

Transfer Regulations for Public Colleges in South Carolina

Regulations and Procedures for Transfer in Public Two-Year and Public Four-Year Institutions in South Carolina as Mandated by Act 137 of 1995

Background

Section 10-C of the South Carolina School-to-Work Transition Act (1994) stipulates that the Council of College and University Presidents and the State Board for Technical and Comprehensive Education, operating through the Commission on Higher Education, shall develop better articulation of associate and baccalaureate degree programs. To comply with this requirement, the Commission upon the advice of the Council of Presidents established a Transfer Articulation Policy Committee composed of four-year institutions' vice presidents for academic affairs and the Associate Director for Instruction of the State Board for Technical and Comprehensive Education. The principal outcomes derived from the work of that committee and accepted by the Commission on Higher Education on July 6, 1995, were:

- An expanded list of 86 courses which will transfer to four-year public institutions of South Carolina from the two-year public institutions;
- A statewide policy document on good practices in transfer to be followed by all public institutions of higher education in the State of South Carolina, which was accepted in principle by the Advisory Committee on Academic Programs and the Commission;
- Six task forces on statewide transfer agreements, each based in a discipline or broad area of the baccalaureate curriculum.

In 1995 the General Assembly passed Act 137, which stipulated further that the South Carolina Commission on Higher Education notwithstanding any other provision of law to the contrary, shall have the following additional duties and

functions with regard to the various public institutions of higher education. These duties and responsibilities include the Commission's responsibility to establish procedures for the transferability of courses at the undergraduate level between two-year and four-year institutions or schools. This same provision is repeated in the legislation developed from the Report of the Joint Legislative Study Committee, which is now moving through the General Assembly during the 1996 session.

Act 137 directs the Commission to adopt procedures for the transfer of courses from all two-year public to all four-year public institutions of higher education in South Carolina. Proposed procedures are listed below. Unless otherwise stated, these procedures shall become effective immediately upon approval by the Commission and shall be fully implemented, unless otherwise stated, by September 1, 1997.

Statewide Articulation of 86 Courses

1. The Statewide Articulation Agreement of 86 courses already approved by the South Carolina Commission on Higher Education for transfer from two- to four-year public institutions (See Appendix A) shall be applicable to all public institutions, including two-year institutions and institutions within the same system. In instances where an institution does not have synonymous courses to ones on this list, it shall identify comparable courses or course categories for acceptance of general education courses on the statewide list.
2. All four-year public institutions shall issue annually in August a transfer guide covering at least the following items:
 - A. The definition of a transfer student and requirements for admission both to the institution and, if more selective, requirements for admission to particular programs.
 - B. Limitations placed by the institution or its programs for acceptance of standardized examinations (e.g., SAT, ACT) taken more than a given time ago, for academic course work taken elsewhere, for course work repeated due to failure, for course work taken at another institution while the student is academically suspended at his/her home institution, and so forth.
 - C. Institutional and, if more selective, programmatic maximums of course credits allowable in transfer.
 - D. Institutional procedures used to calculate student applicants' GPAs for transfer admission. Such procedures shall describe how nonstandard grades (withdrawal, withdrawal failing, repeated course, etc.) are evaluated; and they shall also describe whether all course work taken prior to transfer or just course work deemed appropriate to the student's intended four-year program of study is calculated for purposes of admission to the institution and/or programmatic major.
 - E. Lists of all courses accepted from each technical college (including the 86 courses in the Statewide Articulation Agreement) and the course equivalencies (including free elective category) found on the home institution for the courses accepted.
 - F. Lists of all articulation agreements with any public South Carolina two year or other institution of higher education, together with information about how interested parties can access these agreements.
 - G. Lists of the institution's Transfer Officer(s) personnel together with telephone and FAX numbers and office address.
 - H. Institutional policies related to academic bankruptcy (i.e., removing an entire transcript or parts thereof from a failed or underachieving record after a period of years has passed) so that re-entry into the four-year institution with course credit earned in the interim elsewhere is done without regard to the student's earlier record.

- I. Residency requirements for the minimum number of hours required to be earned at the institution for the degree.
3. Course work (individual courses, transfer blocks, statewide agreements) covered within these procedures shall be transferable if the student has completed the course work with a C grade (2.0 on a 4.0 scale) or above, but transfer of grades does not relieve the student of the obligation to meet any GPA requirements or other admissions requirements of the institution or program to which application has been made.
 - A. Any four-year institution which has institutional or programmatic admissions requirements for transfer students with cumulative grade point averages (GPAs) higher than 2.0 on a 4.0 scale shall apply such entrance requirements equally to transfer students from regionally accredited South Carolina public institutions regardless of whether students are transferring from a four-year or two-year institution.
 - B. Any multi-campus institution or system shall certify by letter to the Commission that all course work at all of its campuses applicable to a particular degree program of study is fully acceptable in transfer to meet degree requirements in the same degree program at any other of its campuses.
 4. Any course work (individual courses, transfer blocks, statewide agreements) covered within these procedures shall be transferable to any public institution without any additional fee and without any further encumbrance such as a validation examination, placement examination/ instrument, verification instrument, or any other stricture, notwithstanding any institutional or system policy, procedure, or regulation to the contrary.

Transfer Blocks, Statewide Agreements, Completion of the AA/AS Degree

5. The following Transfer Blocks/Statewide Agreements taken at any two-year public institution in South Carolina shall be accepted in their totality toward meeting baccalaureate degree requirements at all four-year public institutions in relevant four-year degree programs, as follows:
 - Arts, Humanities and Social Sciences: Established curriculum block of 46-48 semester hours
 - Business Administration: Established curriculum block of 46-51 semester hours
 - Engineering: Established curriculum block of 33 semester hours
 - Science and Mathematics: Established curriculum block of 48-51 semester hours
 - Teacher Education: Established curriculum block of 38-39 semester hours for Early Childhood, Elementary and Special Education students only. Secondary education majors and students seeking certification who are not majoring in teacher education should consult the Arts, Humanities and Social Sciences, or the Math and Science transfer blocks, as relevant, to assure transferability of course work.
 - Nursing: By statewide agreement, at least 60 semester hours shall be accepted by any public four-year institution toward the baccalaureate completion program (BSN) from graduates of any South Carolina public associate degree program in nursing (ADN), provided that the program is accredited by the National League of Nursing and that the graduate has successfully passed the National Licensure Examination (NCLEX) and is a currently licensed Registered Nurse.

6. Any unique academic program not specifically or by extension covered by one of the statewide transfer blocks/agreements listed in #4 above shall either create its own transfer block of 35 or more credit hours with the approval of CHE staff or shall adopt either the Arts/Social Science/ Humanities or the Science/Mathematics block by September 1996. (Note: As agreed by the Committee on Academic Affairs, junior status applies only to campus activities such as priority order for registration for courses, residence hall assignments, parking, athletic event tickets, etc. and not in calculating academic degree credits.)

Related Reports and Statewide Documents

8. All applicable recommendations found in the Commission's report to the General Assembly on the School-to-Work Act (approved by the Commission and transmitted to the General Assembly on July 6, 1995) are hereby incorporated into the procedures for transfer of course work among two and four-year institutions.
9. The policy paper entitled State Policy on Transfer and Articulation, as amended to reflect changes in the numbers of transfer blocks and other Commission action since July 6, 1995, is hereby adopted as the statewide policy for institutional good practice in the sending and receiving of all course credits to be transferred.

Assurance of Quality

10. All claims from any public two- or four-year institution challenging the effective preparation of any other public institution's course work for transfer purposes shall be evaluated and appropriate measures shall be taken to reassure that the quality of the course work has been reviewed and approved on a timely basis by sending and receiving institutions alike. This process of formal review shall occur every four years through the staff of the Commission on Higher Education, beginning with the approval of these procedures.

 - B. Print a copy of their entire transfer guide.
 - C. Provide to the staff of the Commission in satisfactory format a copy of their entire transfer guide for placing on the Commission's homepage on the Internet.
13. By September 1 of each year, the staff of the State Board for Technical and Comprehensive Education shall on its homepage on the Internet under the title Transfer Policies:
 - A. Print a copy of this document (without appendices).
 - B. Provide to the Commission staff in format suitable for placing on

the Commission's homepage on the Internet a list of all articulation agreements that each of the 16 technical colleges has with public and other four-year institutions of higher education, together with information about how interested parties can access those agreements.

14. Each two-year and four-year public institutional catalog shall contain a section entitled TRANSFER: STATE POLICIES AND PROCEDURES. Such section at a minimum shall:
 - A. Publish these procedures in their entirety (except Appendices).
 - B. Designate a chief Transfer Officer at the institution who shall provide information and other appropriate support for students considering transfer and recent transfers.
 - serve as a clearinghouse for information on issues of transfer in the State of South Carolina.

16. In conjunction with the colleges and universities, develop and implement a statewide Transfer Equivalency Database at the earliest opportunity. (As an electronic counseling guide, this computerized, online instrument will allow students and advisors to access all degree requirements for every major at every public four-year institution in South Carolina. Also, the Database will allow students to obtain a better understanding of institutional programs and program requirements and select their transfer courses accordingly, especially when the student knows the institution and the major to which he/she is transferring.)

Development of Common Course System

17. Adopt a common statewide course numbering system for common freshman and sophomore courses of the technical colleges, two-year regional campuses of the University of South Carolina, and the senior institutions.
18. Adopt common course titles and descriptions for common freshman and sophomore courses of the technical colleges, two-year regional campuses of the University of South Carolina, and the senior institutions. The Commission will convene statewide disciplinary groups to engage in formal dialogue for these purposes.

(A common course numbering system and common course titles and descriptions for lower division course work at all public institutions in the state can help reduce confusion among students about the equivalency of their two-year course work with lower-division course work at the four-year level. To this end, a common system leaves no doubt about the comparability of content, credit and purpose among the lower-division course at all public colleges and universities in South Carolina. It would also help eliminate institutional disagreement over the transferability of much lower-division course work, thus clearing a path for easier movement between the technical colleges and senior institutions.)

For more information regarding transfer to four-year colleges and universities, contact Susan Norton, assistant vice president of Academic Programs, or visit our Web site at www.tridenttech.edu.

Alcohol and Drug Use

Policy and Information for Employees and Students of the South Carolina Technical College System

It is the policy of the South Carolina Technical College System to provide a drug free, healthful, safe and secure work and educational environment. Employees and students are required and expected to report to their work, class or student activities in appropriate mental and physical condition to meet the requirements and expectations of their respective roles.

The South Carolina Technical College System prohibits the unlawful manufacture, distribution, dispensation, possession or use of narcotics, drugs, other controlled substances or alcohol at the workplace and in the educational setting. Unlawful for these purposes means in violation of federal/state/local regulations, policy, procedures, rules, as well as legal statutes. Workplace means either on agency premises or while conducting agency business away from the agency premises. Educational setting includes both institutional premises or in approved educational sites off campus.

In order to prevent the consequences of alcohol and other drug abuse at the workplace and in the educational setting, the South Carolina Technical College System has implemented this policy to ensure a drug-free work and educational environment.

The South Carolina Technical College System recognizes that chemical dependency through use of controlled or uncontrolled substances, including alcohol, is a treatable illness. The agency supports and recommends employee and student rehabilitation and assistance programs and encourages employees and students to use such programs.

All locations also will implement drug-free awareness programs for employees and students. Such programs will annually ensure that employees and students are aware that:

1. Alcohol and other drug abuse at the workplace and in the educational setting is dangerous because it leads to physical impairment, loss of judgement, safety violations and the risk of injury, poor health or even death. Health risks and effects of controlled substances and alcohol will be provided to students and employees.
2. Alcohol and other drug abuse also can significantly lower performance on the job and in the classroom, thus impacting on the agency and the College mission, as well as seriously affect the student's educational and career goals.
3. Employees must report any personal conviction under a criminal drug statute, for conduct at the workplace, to their human resources officer within five days.
4. It is a condition of employment and admission that all employees and students must abide by the policy on alcohol and other drug use as well as related procedures statements/laws/guidelines. Violation of any provision may result in disciplinary action up to and including termination or expulsion respectively, and may have further legal consequences consistent with federal and state laws and regulations. Additionally, management may require an employee or student to enter an employee/ student assistance or drug rehabilitation program

as a condition of employment or enrollment.

5. Use of employee assistance programs (EAP), student assistance programs (SAP), or drug/alcohol rehabilitation services is encouraged.

Campus security and disclosure information

The Crime Awareness and Campus Security Act U.S.C.A. 20§1092(F) requires that all institutions of postsecondary education which receive federal student aid prepare and distribute an annual report describing the institution's policy on crime prevention issues and statistics on the number of specific crimes (murder, manslaughter, forcible and nonforcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, and arson) which have occurred on campus, on noncampus buildings or property and on public property within the same reasonable contiguous geographic area of the institution. The annual report also must list the number of arrests and administrative disciplinary actions for liquor law violations, drug abuse violations and weapons possessions.

In addition to publishing crime statistics, the act requires colleges to provide timely warnings to the campus community of certain crimes reported to public safety or local law enforcement which may be considered a threat to students and employees.

TTC complies with this law in the following manner: 1) On an annual basis, TTC provides a summary of specific crimes, as described above, committed on all reporting areas during the previous three years. This information is published in the Be Safe brochure and posted on TTC Department of Public Safety's Web site. The information is also submitted to the U.S. Department of Education. 2) In the case of an immediate threat to person or property, TTC communicates the pending danger to students and employees in timely warnings. 3) TTC maintains partnerships with local police organizations to assist in communicating information and protecting person and property in the case of an immediate danger. 4) On a monthly basis, TTC reports to local and state officials the number and types of crimes committed on its campuses.

Copies of the College's Sexual Assault Policy may be viewed in the Student Handbook and at <http://www.tridenttech.edu/> or obtained from the director of Public Safety. Comments concerning TTC's compliance with these laws should also be addressed to the director of Public Safety at 843.574.6052.

Glossary of College Terminology

Every organization has a unique language. Thousands of colleges and universities in the United States are collectively referred to as institutions of higher learning and they all generally use the same language.

Sometimes you get the right answer to a question you asked, but the wrong answer to the question you thought you asked because you used the wrong vocabulary words. Additionally, you can misunderstand important information given to you from a college office because you are not familiar with college terminology. College life will be less complicated if you familiarize yourself with the language of TTC.
