

Agenda Item VIII.

(Additions are underlined and in italics. Statements removed are shown with strikethrough lines.)

Clarifications have been made to the Enrollment Edits for reporting IPEDS data. Attachment 1 is the same as previously shown. Attachment 2 shows the data in attachment 1 in a slightly different format by degree and non degree seeking by student level. Attachment 3 has been added and should more clearly show how the changing the edits would have affected data that was reported last fall.

In reviewing attachment 3 and looking at registration status 4 (first time transfer), 5 (readmit), and 6 (continuing), institutions had quite a few students that would be affected by adding the edit “if registration status = 4, 5, or 6, then degree level must NOT be 14 (non degree seeking).” Because this would change for many institutions their data reporting, it seemed appropriate to not add this edit without further discussion.

There is also no change from our discussions at the meeting in that S.C. State would have been the only public institution affected by the change in the calculation for reporting other degree/certificate undergraduates and non degree undergraduates to IPEDS.

Therefore, it appears that no coding changes are necessary from the public institutions, but the data questions are presented as a matter of information.

Data Question – Enrollment Edit

Registration Status (REGIS_STAT)

- 1 = First Time Freshmen
- 2 = First Time Graduate
- 3 = First Time First Professional
- 4 = First Time Transfer
- 5 = Readmit
- 6 = Continuing
- 7 = Special (not accepted to a degree program)
- 8 = Transient (not accepted to a degree program)
- 9 = High School Student taking College Courses (not degree seeking)

Reporting IPEDS Enrollment Data

First time, degree/certificate seeking

Registration Status = 1 (*Attachment 2, col. b*)
Degree Level not equal 14 (Non degree seeking)

Other degree/certificate seeking undergraduates (*Attachment 2, col. d*)

Registration status ~~≥ 4~~ *not = 1*
Student Level ≤ 04 (freshman, sophomore, junior, senior)
Degree level not equal 14 (non degree seeking)

Non degree undergraduates (*Attachment 2, col. e, col. f, col. a, col. c*)

Registration status ~~≥ 4~~ *not = 1*
Student level = 05 (Unclassified) *or*
Student level ≤ 04 and degree level = 14

~~Graduate Total~~

~~Registration status ≥ 2 and < 9~~
~~Student level ≥ 06 (first professional, masters, doctoral, unclassified graduate)~~

EDIT

If Registration Status = 7, 8, or 9, degree level must equal 14 (non degree seeking)
(9 already does this check)

~~If Registration Status = 4, 5, or 6, degree level must not be 14 (non degree seeking).~~

IPEDS Change

Other degree/certificate seeking undergraduates (Attachment 2, col. d & col. f)

Registration status ≥ 4 not = 1

Student Level ≤ 05 (freshman, sophomore, junior, senior, unclassified undergraduate)

Degree level not equal 14 (non degree seeking)

Non degree undergraduates (Attachment 2, col. e, col. a, col. c)

Registration status ≥ 4 not = 1

Student level = ~~05 (Unclassified)~~ ≤ 05

Degree level = 14 (non degree seeking)
