W. P. A. Transcripts of Tombstone
Inscriptions in South Carolina

These cards were transcribed by members of the local chapters of the South Carolina Genealogical Society from the typescript volumes of inscriptions compiled by the W.P.A. in the late 1930's. Those volumes are in the collection of the South Caroliniana Library of the University of South Carolina.

The microfilming of these cards was done by the South Carolina Historical Society in cooperation with the South Carolina Genealogical Society, whose President, Mr. Robert E. Babb, Jr., did most of the actual filming. A substantial part was also filmed by Nancy Evans.

The cards are in a single, alphabetical series except for one group that is included as an appendix. A section of Beaufort cemetery cards lacked volume numbers, and these cards are filmed separately in alphabetical order.
