GEER FUND Award	Date of Award	Amount of Award	Explanation	Expenditures as of 8/1/2021
Department of Juvenile Justice	April 21, 2021	\$12,054,124	Data suggest that the pandemic's impact on social and emotional health of adolescents will disproportionately impact students already at risk of dropping out of school or of entering juvenile justice system, especially due to truancy. Funds will invest in evidence-based, community-based, juvenile delinquency prevention interventions targeting at-risk youth. The interventions will include: Multisystemic Therapy and Functional Family Therapy; funds to the SC Afterschool Alliance for expanded summer programs, especially in rural areas of our state; teen afterschool programs; and full-time mentoring programs in public schools in 2021-22 school year.	\$0
Charter Schools	April 14, 2021	\$9,000,000	Educational services for students in charter schools. In school year 2020-21 student enrollment in the South Carolina Public Charter School District and the Charter Institute at Erskine, two state local education agencies (LEAs) increased 25% due to COVID-19. The funds may be expended for such costs as: personal protective equipment; instructional salaries, substitute pay; technology; etc. The LEAs may retain up to 2% for district administrative costs.	\$0

Coordinating Council for Workforce Development (Department of Commerce)	April 14, 2021	\$1,500,000	<p>Young adult workers, between the ages of 16 and 24, who were impacted by COVID-19 need additional education supports and career exploration. Funds will implement the South Carolina Workforce Journey's initiative, which will provide career exploration and job preparation. The initiative will employ new technology to highlight current and prospective career opportunities and will target individuals in high schools, career and technical education centers, and technical colleges. Funds will pay for 30,000 individuals to take an assessment to measure soft skills and core competencies for entry and mid-skill jobs.</p> <p>Note: Coordinating Council for Workforce Development is a state council chaired by the Secretary of Commerce and includes State Superintendent of Education and staff, representatives from higher education and business, and the representatives from the Department of Employment and Workforce.</p>	\$0
University of South Carolina	March 30, 2021	\$6,000,000	Establish network of eight computer labs with reliable technology and internet access in Columbia and throughout the regional campuses of the University of South Carolina, which are all located within 15 miles or less of a broadband desert. Labs will be open at no cost and serve students in K-12, in colleges, especially Historically Black Colleges and Universities, and the general public.	\$0
Department of Social Services	January 5, 2021	\$4,913,800	Address educational needs of 600 foster care children and youth in group homes through purchase of electronic devices and increased bandwidth to group homes and tutoring services for children and youth including special education services.	\$0
SC Technical College System	January 5, 2021	\$8,000,000	Provide short-term training programs for 3,100 adults attending state's technical college system. Funds may be used to defray costs of tuition, fees, textbooks, and materials up to	\$2,690,373

			\$5,000 per participant. No funds are used for administrative costs.
