SUBJECT: South Carolina Medicaid ICD-10 Web page

The South Carolina Department of Health and Human Services (SCDHHS) is pleased to announce its new web page dedicated to information related to the implementation of the International Classification of Diseases Version 10 (ICD-10), with a mandatory compliance date of October 1, 2013.

The SCDHHS ICD-10 web page is available now and includes important information related to ICD-10 implementation including project status, pertinent ICD-10 links, as well as other relevant information to assist with this transition.

Please visit the link below and complete a brief ICD-10 contact form. This form will allow us to gather business contact information about your organization so that we can better collaborate with you on this project.

The new web page can be accessed at: <http://www2.scdhhs.gov/icd-10>

Thank you for your continued support and participation.
