Oklahoma National Stockyards Weekly Cattle Summary								May 90.84	
Compared to last week: Feeder steers steady. Feeder heifers steady to 3.00 higher. Steer calves 5.00-7.00 higher. Heifer calves sold with a weak undertone. Demand was excellent. The northern half of the state saw some reprieve from summer dry heat with rains of up to 5 inches in some areas. These rains also cooled much of the states temps bringing them back out of the 100's to the mid 80's. Summer's heat is returning this week with multiple days in the 100's again. Supply included: 100% Feeder Cattle (71% Steers, 28% Heifers, 1% Bulls). Feeder cattle supply over 600 lbs was 67%.								Jul 88.92	
Compared to last week: Slaughter cows 12.00-15.00 higher. Slaughter bulls 10.00-12.00 higher. Demand moderate to good. Several cows available as high temperatures are causing ponds to dry up, pastures to burn up, and hay is either limited or the cost is just too higher. Supply included: 34% Feeder Cattle (100% Steers); 52% Slaughter Cattle (97% Cows, 3% Bulls); 15% Replacement Cattle (88% Bred Cows, 12% Cow-Calf Pairs). Feeder cattle supply over 600 lbs was 0%.								Oct 83.68
