The Capital Corporation

PRESENTS

IN ASSOCIATION WITH THE
SOUTH CAROLINA CHAMBER OF COMMERCE,
THE 10TH ANNUAL RANKING OF THE STATE'S
TOP-PERFORMING BUSINESSES.

Once again, The Capital Corporation has the honor of presenting South Carolina's 25 Fastest-Growing CompaniesSM. This highly anticipated ranking has honored some of South Carolina's most promising companies. Since its inception in 2002, 139 companies have had the distinction of being ranked as one of South Carolina's 25 Fastest-Growing Companies.

This year's winners are a diverse sampling of exceptional businesses covering a broad spectrum in terms of size and industry sector. These businesses span the breadth of South Carolina. The Lowcountry claimed 15 of the winners, followed by the Upstate with 14 and the Midlands with six. New to the roster this year are companies in Hanahan and Chapin.

"I look forward to this event every year. The achievements of these privately and publicly owned businesses and their contributions to the state's

economy never cease to impress me, especially the companies that have made the list in the last few years as the country has struggled with a tumultuous economy. They are a testament to exceptional business acumen and leadership," said Dan Adams, president and chief executive officer of The Capital Corporation.

Top ranked Barling Bay, located in North Charleston, is not new to this ranking, as it occupied the No. 3 slot last year. First-time entrant Southern Tide in Greenville made its debut in a big way by ranking No. 2. Levelwing Media rose from No. 6 last year to take over the No. 3 position.

Joining The Capital Corporation as presenting sponsor this year are Dixon Hughes Goodman LLP as co-sponsor, the South Carolina Chamber of Commerce and *Greenville Magazine*, *Greater Pee Dee Business Journal* and *Greater Columbia Business Journal* as media sponsor.

The 2011 rankings were determined using a

proprietary weighted equation tied to increases in gross revenues (or assets) and full-time employment. Submissions were compiled, evaluated and ranked by a review panel from The Capital Corporation. Interviews and site visits were conducted by representatives of The Capital Corporation and Dixon Hughes Goodman LLP.
