NORTHEASTERN TECHNICAL COLLEGE

CHERAW CAMPUS

Safety and Crime Awareness Report

Northeastern Technical College is committed to providing a safe and secure environment for all members and guests of the campus community. Because no area is totally isolated from crime, the college has developed a series of policies and procedures that are designed to ensure that every possible precautionary measure is taken to protect persons on campus.

The Office of the Vice President for Student Services ensures that safety/security policies and procedures are uniformly executed and conveyed in a clear and consistent manner to the college's students.

How to Report Crimes and Emergencies

During Day Classes (8a.m. to 5 p.m.):

Report to the Office of Student Services.

During evening classes (5 p.m. to 9 p.m.):

Report to the Evening Coordinator or Campus Security.

In either case, the proper authority can be contacted through the switchboard operator from 5p.m. - 7p.m. From 7p.m. to 10p.m., call the Security cell phone at 843-921-3512.

In the event of an emergency:

The student or visitor should report the problem to the most accessible faculty or staff person who will notify Security or the administrator in charge. Appropriate college personnel will notify the proper local authorities needed to assist with the emergency.

Access to Campus Facilities

Most college facilities are open to the public during the day and evening hours when classes are in session. When the college is officially closed, buildings are secured and only faculty, staff and pre-approved students with proper IDs are admitted.

Campus Security Personnel

The college employs the services of Cobra Security INC., to provide for public safety and the general security of campus facilities. Campus security efforts are supplemented by mutual aid agreements with the Chesterfield County Sheriff's Department and the Cheraw Police Department.

Crime Prevention

While the College makes considerable effort to ensure the safety and security of all students and visitors, it is the individual's responsibility to take precautions to protect himself/herself. For this reason, the College has established a crime prevention program that provides for the following:

A. Crime prevention presentations are made by experts in the fields of rape prevention, robbery, car theft, etc.

B. Crime prevention materials on a variety of subjects are placed in campus literature racks.

C. Surveys on safety are conducted among students.

Monitoring and Recording Off-Campus Crime

The College considers the welfare and safety of students in off-campus programs and those participating in field trips, etc., to be of equal importance to those on the main campus. Incidents happening at off-campus sites will be under the jurisdiction of the faculty or staff member in charge of the group or individuals affected.

Such incidents will be reported to local law enforcement and to the Vice President for Student Services. Such incidents will become part of the college crime statistics.

The Student Code and Grievance Procedure, in section III, F, # 8 & 9, indicates that the violation of institutional policies or South Carolina and/or federal laws while on or off-campus or when participating in a college sponsored activity subjects the student to the disciplinary provisions of the Code. Therefore, all violations of these provisions are subject to institutional sanctions regardless of actions taken or not taken by legal authorities.

Alcohol and Drug Information

Separate materials have been prepared by the College on alcohol and drug possession, use, and sale. This information is provided to every student once a year at the time of registration.

Sexual Offenses

Anyone can be a victim of sexual assault. An unfortunate result is that many sexual assault survivors elect not to tell anyone. It is important that the campus community be aware of both the consequences of sexual assault and the options available to victims/survivors.

If an assault occurs on college property, it should be reported immediately to any member of the college staff or faculty. Incidents will be reported to administrator in charge by

calling 6900 on the campus telephone system. Incidents off-campus should be reported to local law enforcement officials.

Sexual Offender Registration

In accordance with the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the SC State Law Enforcement Division (SLED) is providing a registry of sex offenders in South Carolina.

Registry information provided by this act shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general. The SC SLED is responsible for maintaining this registry. The web address is www.sled.state.sc.us. On the main page under services, click on Sex Offender Registry.

Northeastern Technical College does not discriminate in admissions or employment on the basis of race, religion, color, sex, age, national origin or disability in its programs and activities. For inquiries on non-discrimination policies, contact: Director of Personnel, P.O. Drawer 1007, Cheraw, S.C. 29520-1007, or call (843) 921-6900.
