Board of Dentistry COVID-19 Update: Clinical Examinations

**Manikin-based Clinical Examination**

At the South Carolina Board of Dentistry meeting on October 9, 2020, the Board voted to amend the clinical examination requirement to include the dental manikin-based clinical exam, administered by Board-approved examination agencies, through December 31, 2021. Applicants for licensure by examination may submit clinical examination scores for live-patient or manikin-based ADEX, CRDTS or SRTA examinations.

Previously the Board approved the acceptance of the manikin based examination through December 31, 2020 for the dental clinical and the dental hygiene clinical.
